Re.No.1998 C/45 dated 5th March 1946.

Sub: Public Services - Madras Educational Subordinate Service - Account Test for subordinate officers, Part I and Deputy Inspectors' test prescribed as part of probation of certain officers - Extension of existing time-limit for passing the tests - Amendment to the rules - proposal submitted.

I have the honour to state that under sub-rule (c) of Rule 11 of the Special Rules for the Madras Educational Subordinate service, persons appointed to the service in the categories mentioned in the margin, are required to pass the Deputy Inspector's Test and the Account Test for Subordinate Officers, Part I, within the prescribed period of probation, and failing that, to pass them within a period of one year thereafter, reckoning from the date of expiry of the prescribed period of probation, on pain of discharge from service.

2. Before the Account Test for Subordinate Officers, Part I, was prescribed as part of probation in June 1936, in respect of the abovementioned categories of officers, it was prescribed as a test to be passed within a period of two years, and failure to pass the test within that time would entail stoppage of increment until the test was passed. Please see G.O. No. 780 Public Department, dated 28-7-1931 and No. 1048 P(S), dated 10-6-1936.

3. Prior to the prescription of the Deputy Inspector's Test as part of probation under the existing rules, which came into force on and from 1-4-42, it was required to be passed by Senior Deputy Inspector of Schools, Sub-Assistant Inspectress, School Assistants and Headmasters in the Men's Branch and School Assistants and Headmistresses in the Women's Branch, only for the purpose of earning increments above the stage of Rs. 100/- in the time-scales of pay applicable to them, and to be passed by Junior Deputy Inspector of Schools for eligibility for increments above the stage of Rs. 60/- in the time scale of pay applicable to them. Incidentally, it was only in June 1937 that school assistants and Headmasters in the Men's Branch and School Assistants and Headmistresses in the Women's Branch, were for the first time required to pass the Deputy Inspector's Test. Please see G.O. No. 1458 P(S), dated 3-11-1930; No. 1048 P(S) dated 10-6-36; and No. 1237 P(S), dated 7-6-1937.

4. I have indicated the position of the old rules only to show that prior to June 1936 in the case of Account Test and prior to 1-4-42 in the case of Deputy Inspector's Test discharge from service was not the penalty prescribed for failure to pass these tests.

2POS

5. Experience of the working of the existing rule referred to above, has shown that a total period of three years allowed for passing the tests, works as a great hardship to the said categories of officers, and that efficient performance of their official duties is also seriously interfered with on account of their preoccupation with the tests. I may point out, in this connection that in the other Departments, certain categories of officers undergo courses of training for stipulated periods as part of probation, and that they are also at the same time required to pass the prescribed tests within the period of probation. A statement showing such categories of officers, which is, however, not exhaustive, is appended herewith. In such cases, the courses of training go a long way to help them to pass the tests and the period of training itself affords them ample time to study the books prescribed for the tests. Hence, they may not feel it difficult to pass the prescribed tests within the time allowed. But, in the case of the Education Department, no course of training is prescribed for the said categories of officers, and they have to perform the duties of the posts straightaway, the instant they are appointed. So simultaneously with the discharge of official duties they have to prepare for the tests. Their duties are now so arduous that they may not have much energy left to study for the tests. I, therefore, consider that in the interests of efficiency, they should be enabled to pass the tests more leisurely. I consider that the needs of the case will be adequately met, if the existing time-limit of three years, within which the prescribed tests are to be passed, is extended to four years in respect of the said categories of officers.

6. Under sub-rules (a) to (c) of Rule 10 of the Special Rules for the Madras Educational Subordinate Service, the following unqualified teachers appointed to the service, are required to acquire certain requisite qualifications within the prescribed period of probation, or failing that, within a period of four years from the date of their appointments to the service.

- 1) School Assistant and Headmaster or Headmistress;
- 2) Secondary Grade teachers;
- 3) Pandit or Munshi or Drawing Mistress or Sewing Mistress or combined Drawing and Sewing Mistress;
- and 4) Physical Training Instructress.

The concession of time-limit of four years shown to these unqualified teachers for the purpose of acquiring the requisite qualifications may be extended to the said categories of officers, as well.

7. In the circumstances, I request that Government may be pleased to amend the said rule suitably so as to provide for a time-limit of four years for passing of the prescribed tests by the said categories of officers, in cases where officers fail to pass them within the prescribed period of probation. I suggest, in this connection, that the amendment may follow the sub-rule (a) of Rule 10 of the Special Rules for the Madras Educational Subordinate Service. If this proposal is agreed to, I shall submit a draft amendment to the rules.

Sir,

Account Test and Deputy Inspectors' Test - Extension
of time limit for passing - Special Rules -
Amendments - Your Department letter No.17094-A/46-3,
Education, dated 12-10-1946.

I am to say that the Commission has the following remarks
to offer:--

DRAFT AMENDMENT I.

The proposed clause (ii) to rule 10 (d) of the Madras
Educational Subordinate Service Rules is redundant in view of the
draft amendment No.2 in your letter, to rule 11 (c)(ii) of the
rules, and may be omitted. Moreover rule 10 refers to unqualified
teachers and the acquisition during probation of the qualifications
prescribed. Draft clause (ii) relates to the passing of certain
test during probation and has no place under this rule.

2. I am to point out that it is not necessary for the
Commission to be consulted in respect of these amendments as they
do not relate to any of the matters specified in clauses (a) & (b)
of sub-section (3) of section 266 of the Government of India Act,
1935.

Notification.

In exercise of the powers conferred by section 241(2)(b) of the Government of India Act, 1935, His Excellency the Governor of Madras hereby makes the following amendments to the Special Rules

for the Madras Educational Subordinate Service which form Section 3 of Part III-B of the Service Rules in Volume III of the Madras Services Manual, 1946.

Amendments.

In the said Special Rules, in rule 11 (c) (ii) -

(i) in the first sentence, for the words

"within a period of one year from the date of expiry of the prescribed period of probation"

the words "Within a period of four years from the date of appointment" shall be substituted;

(ii) for the last sentence the following sentence shall be substituted, namely: -

"If he or she fails to pass the said tests within the period aforesaid, the appointing authority shall forthwith by order terminate his or her probation and discharge him or her from the service."

M.E.S.S - Account Test for Sub. Officers, Part I and Dy Inspectors' Test prescribed as part of probation of certain officers - Extension of time limit

C.N. 17094/ub, From the DPT, R.C.N. 1998 C/US of 5/25-5-46.

Accordingly under Rule 11 (c) of the M.E.S.S.

Rules, persons appointed to the service in the categories mentioned below, are required to pass the Deputy Inspectors' Test ^{Part I} and the Account Test for Subordinate officers, Part I, within the prescribed period of probation (i.e) 2 years, failing which, ^{they should} to pass the tests within a period of one year from the date of expiry of the probation: -

- (1) School Assts or Headmasters
- (2) Deputy Inspectors of Schools (Junior or Senior Scale)
- (3) Senior Physical Director
- (4) School Assts or Headmistresses
- (5) Sub Asst Inspectresses.

If they fail to pass the said tests within the prescribed time-limits, the appointing authority shall forthwith by order terminate the probation of the officer and discharge him or her from the service. For the reasons mentioned in paras 2-6 of his letter on p/1-2 CF, the DPT recommends that the time-limit for passing the prescribed tests by the officers, may be extended from 3 to 4 years and the relevant rule amended accordingly.

It is seen from the statistics furnished by the Director on p/11 CF that the actual number of the officers who failed to secure a pass in the prescribed tests in each year during 1941 to 1946 is negligibly small when compared to the total strength of each of the cadres to which the officers belong. In view of this, there can

no justification for extending the time limit / Please see below
as proposed by the DPT. For order as to
