2 The question of constructing new buildings for the Islamiah High School.

Trichinopoly, has been under consideration since 1928. Site after site selected for the purpose has had to be rejected on grounds of its unsuitability for some reason or other. Finally the site measuring about 6.70 acres comprising T.S. no 2634 and no 2634-2634 of ward no 4 of Trichinopoly town was selected for the construction of buildings and for the provision of a playground for the

School. In G.O. no 1194 Sda, dated 30.4.45, the Govt approved an expenditure of Rs 27,400 on the acquisition of the land. The DPJ has now submitted a revised estimate for Rs 52,000 as the cost of acquisition is now reported to be Rs 51,580. As no provision has been included for filling in portions of the site in order to raise its level, the estimate has been returned for revision if necessary.

2. The preliminary notification under Sec. 4(1) of the Land Acquisition Act for the acquisition of the site has been published. The Principal Holy Cross College Trichinopoly protested against the acquisition of the plots for the Islamiah High School, but the DPJ reported that no importance need be attached to the sentimental objection raised by the authorities of the Women's College to the presence of a Muslim Boys High School within a few yards of the Women's College compound for the following reasons:-

- (1) the question of providing a suitable site for building and playground for the Islamiah High School has been under consideration for a long time
- (2) the present site is the only one available
- (3) there is a mosque in the centre of the site which is advantageous to the Muslim boys of the high school &
- (4) it being a secondary school, the pupils are generally young and hence it is not objectionable to have a high school adjacent to the women's college

(1) The college authorities were informed accordingly and it was suggested to them that the construction of a high compound wall would solve the difficulty. The Principal of the Holy Cross College has again made a representation to H.M. (Govt) in the matter. He has proposed to inspect the site when he visits Trichinopoly next month and he has suggested that in the meantime final acquisition proceedings may be deferred. The Collector has not yet submitted draft declaration under sec 6(1) of the Land Acq. Act.

3. The DPJ has been asked to get ready plans & estimates for the construction of buildings for the high school on the site proposed to be acquired. - necessary provision has been made in the current year's budget for the acquisition of the site.

4. A draft answer is submitted below for approval. It may be sent to P.W.D. for perusal. That Deptt may be requested to link the file connected with the acquisition of the site for reference.

Government Islamiah High School, Trichinopoly.

* 92 Q.—BEGUM SULTAN MIR AMIRUDDIN: Will the Hon. the Minister for Education be pleased to state what scheme the Government have for providing the Government Islamiah High School of Trichinopoly with a suitable building?

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“The site for the construction of buildings and the provision of a playground for the school has been selected and its acquisition is under consideration. Instructions have been issued for the preparation of plans and estimates for the construction of buildings on the site proposed to be acquired.”

BEGUM SULTAN MIR AMIRUDDIN:—“Is the Government aware that as early as 1924 estimates were prepared and even allotments made in the budget for providing the school with a building?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“I am not aware.”

BEGUM SULTAN MIR AMIRUDDIN:—“In view of the fact that the matter had been delayed for nearly a quarter of a century will the Government expedite the matter and see that this school is provided with a suitable building at a very early date?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“While the Government cannot agree to the first part of the question, Government will do what they can to expedite the matter.”

ABDUL HAMEED KHAN SAHIB BAHADUR:—“Is the Hon. Minister aware that the present District Educational Officer of that district has recommended against the construction of the building?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“The Principal of the Holy Cross College, which is a college for women, has objected, that because they have a Women's

college nearby this plot, it may not be given to the Muhammadan school. The objection is from the Principal as far as I see.”

BEGUM SULTAN MIR AMIRUDDIN:—“Has a site been selected for the school?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“Not yet.”

ABDUL HAMEED KHAN SAHIB BAHADUR:—“May I know, Sir, whether this objection has emanated only very recently?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“I understand, Sir, this objection has been there for some time.”

ABDUL HAMEED KHAN SAHIB BAHADUR:—“May I know for how long, Sir?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“It had existed even before we came into office.”

BEGUM SULTAN MIR AMIRUDDIN:—“Will the Hon. Minister be pleased to visit Trichinopoly and assign a suitable site for the building of this school?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIAR:—
“Yes, Sir, I am going there, and I will look into this site.”
