C.No. 56477B/46

SCHOOLS - Government Muslim High School for girls,

Tirur - Conversion of the post of Headmistress into

M.E.S. one - Part II Scheme for 1947-48.

From the Director of Public Instruction, R.C.No.
7459-K3/46 dated the 24th September 1946.

In Memo No.73 Education, dated the 16th

September 1946, the Director of Public Instruction was ^{informed}
~~asked to~~ ^{that he might} consider the question of raising the status of

the post of Headmistress of the Government Muslim Girls' High School, Tirur, in connection with Part II Schemes

for 1947-48. The Director has accordingly submitted proposals for ^{converting it} ~~the conversion of the post~~ into a post

in the Madras Educational Service. The immediate and ultimate cost of the proposal is Rs.1,200/- and Rs.4,300/- respectively.

2. The proposal made by the Director in 1942

for including the post of the Headmistress of the school in the M.E.S. was negated in G.O.No.1435 Education, dated the 8th October 1942, for the reasons stated at

pp.7-8 thereof. It was then pointed out that generally only heads of combined secondary and training institutions for women were in the M.E.S.; but not those of mere high schools. A training section has ^{since} ~~now~~ been added to the school and this ^{has} ~~would have~~ increased the responsibility of the Headmistress. It may also be pointed in

this connection that there are also a few secondary and training schools, the heads of which are not in the M.E.S. The Director has been asked to furnish a statement showing the present strength and staff of the school as compared with those of a few other secondary and training schools which have their headmistresses in the M.E.S. and his reply has not ^{yet} ~~so far~~ been received. ~~He~~ ^{has} been reminded

3. In their U.O.Note No.54303 (B) - 1 dated the 9th October 1946, the Finance Department have directed

that

that Part II Schemes for 1947-48 should be restricted to those that are contemplated in the five year postwar development plan of the Madras Government or that can be treated as modification of schemes included in the five year plan and that schemes outside the plan should be proposed only if they are required in connection with Grow More Food Campaign or are fully remunerative or are absolutely essential for the proper running of departments. The present proposal cannot be considered to satisfy any of the above criteria. In the circumstances, it is for orders whether the proposal may be deferred for the present and the Director may be informed that he may return it ~~to the Director~~.

4. The remarks of Finance may be invited U.O. prior to circn.

The proposal may be deferred.
