2. The Acct. Genl. has certified that the qualifying service of the applicant has been proved for 24 years 3 months and 8 1/2 days and that he will be eligible for a pension not exceeding Rs 12/- p.m. The S.G.P. has recommended that the deficiency of 8 months and 2 1/2 days by which the period of the applicant's qualifying service falls short of 25 years be condoned under Art 423 CSR. The A.S. has certified that, if this recommendation of the S.G.P. is accepted, the qualifying service of the applicant will be raised to 25 years for which an enhanced pension not exceeding Rs 15/- p.m. will be admissible in lieu of Rs 12/- otherwise admissible.

3. The principles to be observed in the matter of condonation of deficiencies for pension of Govt. servants are stated in para 1 of Memo No 37173 Pent-2 d 6.1.39. It will be observed that condition (iii) referred

(Y)

to them has been satisfied in this case. There is, therefore, no objection to the S.G.P.'s proposal to condone the deficiency in this case.

Under Art 423(2) C.S.R. as amended, Heads of Departments as defined in the Fundamental Rules may condone a deficiency not exceeding 12 months in the case of non-gazetted subordinates under them. Since the S.G.P. is not a Head of Department under the definition in F.R.'s, the condonation in this case cannot be sanctioned to him. But the Secy to Govt in the E.P.H. Department will be competent to condone the deficiency.

The case may therefore be returned to E.P.H. for the issue of orders.

The draft order may be passed. The pension has not been sanctioned in the draft, apparently as the S.G.P. himself competent to sanction the pension of the retired copy-holder & has accorded this sanction on p. 6 c.f.

E.P.H. may return the pension papers to the S.G.P. & may be requested to add a sentence to the draft order as suggested in pencil.
