Office of the Director of Public Instruction, Madras, dated 17-10-46.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.B.S.
Director of Public Instruction, Madras.

The Secretary to Government,
Education & Public Health Department, Madras.

Sir,

Sub: Madras Educational Service - Sri K.P.Govinda Menon,
Principal, Extension of leave on medical certificate -
Recommended.

I have the honour to state that in G.O.No.1401, Education, dated 20-7-46 Sri K.P.Govinda Menon, Principal and Senior Lecturer, Govt. Victoria College, Palghat was granted leave on average pay for one month with reffect from 3rd July 1946. Orders were issued by me posting him as Principal and Senior Lecturer, Govt. Arts College, Rajahmundry, on the expiry of the above leave. However, he fell ill and applied for an extension of leave. I enclosed herewith a copy of his letter dated 7th August 1946. After obtaining the History of the Medical Case of Sri K.P.Govinda Menon from his Medical Attendant at Palghat, the Surgeon-General, Madras was requested to arrange for the examination of the Principal by a Medical Board. He was examined by the Medical Board on 21-9-46 at Madras and a copy of the Proceedings of the Board is submitted herewith.

2. In accordance with the recommendation of the Medical Board, I recommend that the Government may be pleased to grant Sri K.P.Govinda Menon an extension of leave for 4 months on Medical Certificate with effect from 3-8-46.

3. The necessary undertaking with reference to Note 3 under Fundamental Rule 81 (b) obtained from Sri K.P.Govinda Menon is also enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

TRB. 18/RO

for Director of Public Instruction.

COPY OF LETTER DATED 7-8-46 from K.P.G. Menon, Principal, Govt. Victoria College, Palghat.

"In continuation of my letters subjected through the Govt. Civil Assistant Surgeon, Palghat I beg to submit the following for orders.

I had packed my things and reserved my berth to leave Palghat for Rajahmundry on Monday, 1-8-46 when I was stricken down with high temperature coming upto 104°. I was unconscious and delirious. The Civil Asst. Surgeon removed me in an ambulance to the Local Govt. Hospital where he diagnosed my complaint to be Influenza with pneumonia. I feel extremely weak. I cannot even sit up in bed. I am extremely anxious to join duty at the earliest possible moment but my present state of prostration makes it impossible for me to do so.

P.T.O.

kindly therefore request the Civil Asst. Surgeon to examine me and to recommend me for the necessary medical leave.

I am straining every nerve to recover my strength. But I am afraid even after I join duty I shall not be able to recover my old spirits and dynamic energy which are absolutely necessary to run my office successfully. These intermittent attacks of fever ever since May 1946 when I was admitted into the General Hospital, Madras have ruined my health and the present prospect of having to travel some 800 miles and then to look out for a house and to settle down in Rajahmundry for steady work unnerves me completely.

I request the Director to kindly view my case with sympathy and to issue the necessary Orders."
