Sir,

ENCLOSURES.....

SPARE COPIES.....

Ref: G.O.Ms.No.1913 Edn., dated 7-10-46
Sub: Temporary coolies for work connected with
arranging of unserviceable materials for
auction - retention for further period -
sanction requested.

The arrangement of the unserviceable materials for which the temporary coolies were sanctioned in the G.O. cited above has been but partly done and there is yet much to be done. After arrangement, grouping and weighing when necessary has to be done for which the services of the coolies are necessary. Besides, condemned machines have to be brought and fitted in the place allotted for auction materials which necessarily involves labour. In view therefore of the above reasons, I have the honour to request that Government may be pleased to accord sanction for the retention of the temporary coolies for a further period of 3 months from 2-12-46 or until the work is completed whichever is earlier.
