Sir,

I have the honor to state that the Governor General in Council has decided on the recommendation of the Federal Public Service Commission, and subject to a satisfactory report by a Medical Board, to appoint Mr. C. Sivaramamurti, Curator, Archaeological Section, Government Museum, Madras, to the post of Assistant Superintendent, Archaeological Section, Indian Museum, Calcutta, on probation for two years at an initial salary of Rs. 300/- p.m. in the scale of Rs. 300-25-350-25-600-40-680. I am accordingly to request that if there is no objection the appointment may kindly be offered to him and if he accepts the appointment arrangements may kindly be made to convene a Medical Board to examine him if he has not been examined before by such a Board, and the Board's report furnished to this office at an early date. I have the honour to state that the services of
Messrs. Sivaramamurti and Paramasivan for appointment
under the Government of India, in the Archaeological
Survey, can be spared after proper substitutes have
been appointed. As they have to join their new appoint-
ments by 15-12-45, early orders of Government are
requested for advertising the posts of these Curators
and for incurring expenditure thereon.

Please see 2 letters at A-1-4 of from the off. D.G. of Archaeology, intimating the selection of two Curators of the Govt Museum to posts under the Archaeological Dept. Govt of India.

2. The two Curators applied for these posts through the S.G.M. (their appointing authority), who forwarded the applications. They are two of the best men we have and it is a pity that, probably owing to lack of prospects, we are losing our men. For now whether Govt will have any objection to releasing these two men. The S.G.M. says he can spare them.

3. If they are to be released, the draft are leafy since. If the appointments are accepted, steps will be taken to ensure a Red Board. Govt Govt may perhaps take time to release the men till substitutes are selected by the S.G.M. & the off. D.G. may be informed of this. In view of X & Y above.
