dated 24th June 1942.

I have the honour to address Government for  
sanction to acquire the treasure trove coins noted  
below for our coin cabinet. They are Roman coins,  
mostly of Augustus and Tiberius. Coins of these types  
are well represented in our collection, but permission  
is sought to acquire them as they will be of interest  
to coin collectors to whom they can be sold.

The collection has not been fully studied,  
but the Director General of Archaeology who is an

expert

expert Romanologist has very kindly promised to help us in this task, after the hoard is acquired for the Museum.
