Office of the
Director of Public Instruction,
Madras, Dated 6-11-1946.

From Dr. S.R.U. Savar, M.A., D.Sc., F.T.S.,
Director of Education and Public Health, Madras.

(2)

To The Secretary to Government,
Education and Public Health Department, Madras.

Sir,
Elementary Education - Syllabus - Handicraft - Subjects
in Lower Elementary schools - Inclusion of 'State making'
as one of the subjects - Proposals.

It has been brought to my notice that states are being
prepared in many of the centres at Podili Taluk in Nellore District.
It is reported that state-making is a thriving home-industry and the
pupils take great pleasure in the preparation of states. In this
connection I have the honour to invite the kind attention of the
Government to G.O.2049 Edn., dated 5-12-1945 by which state-pencil
making has been included as one of the handicraft subjects to be
taught in Lower Elementary schools in the revised syllabus.
I therefore recommend that state-making may also be permitted to
be taken up as Handicrafts for Lower Elementary Schools and that
it may be included in the list of Handicrafts appended to the
revised syllabus.

I have the honour to be,
Sir,
Your most obedient servant,

*only in locally
where shops are
available*
