INVESTMENT OF FUNDS IN THE MADRAS GOVERNMENT SECURITIES.

It has been recently brought to the notice of Government that the by-laws of a certain authority, framed with the approval of Government authorised the investment of its funds only in the securities of the Government of India, so that an investment of the funds of that authority in the securities of the Government of Madras will not be permissible until the relevant by-law has been amended. It is possible that there may be similar instances of rules, orders or regulations, etc., framed by the Government or other competent authority subject to the general control of the Government, which may require amendment to enable such local authorities, institutions, etc., to invest their funds in the securities of the Government of Madras.

P.T.O

2. The Director of Public Instruction is therefore requested to examine all the existing rules, by-laws, regulations, orders, etc., in connection with the investment of funds of any kind, which have been framed or approved by the Government under the provisions of any relevant Acts or otherwise, and take immediate steps to have them amended, if and where necessary, so that the investments of all such funds in the securities of the Government of Madras shall be permissible.
