Education-Elementary-District Boards-Ramnad and Salem
Grant of increments to teachers irregularity-Orders Passed.

ORDER: Recorded.

2. The Director of Public Instruction brings to the notice of Government that the District Board, Salem allows increments to teachers employed in the elementary schools, in the time scales of pay applicable to them, only in respect of their permanent service without taking into account their continuous acting service prior to confirmation. This is irregular. The Government do not propose now to reopen all past cases of such irregular grant of increments. The District Board must however take into account continuous acting service after the date of this order for purpose of grant of increments in the case of all teachers whether new entrants or those already appointed.
