Office of the Director of Public Instruction, Madras, dated 3-10-46.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.
Director of public Instruction, Madras.

To

The secretary to Government,
Education & Public Health Department, Madras.

Sir,

Sub: War - Further Education and Training of Demobilised personnel.

Ref: (i) Your Telephonic Message by post dated 20-7-46 with reference to my letter R.C.No.1667 W/46, dated 16-7-46.

(ii) Your letter No.35613-C1/46-2, Edn., dated 4-7-46 to the Secretary to the Govt. of India, Education Department.

In para.6 of G.O.No.1167, Education, dated 12-6-46 the Government have stated that the scale of allowance for books and equipment for the Intermediate Course will be Rs.40/- and for the Degree course Rs.50/-. They have also subsequently stated in their telephonic message referred to above that it is the intention of the Government that the allowance should be paid ANNUALLY and NOT FOR THE ENTIRE COURSE. In this connection, I presume that the above scales have been fixed by the Government on the analogy of the scales fixed in G.O.No.610, Education, dated 20-4-45.

2. The scale of allowance for books etc. in Arts Colleges for the Intermediate and the Degree courses was originally fixed by the Govt. in their order No.272, Education, dated 16-2-42 on the recommendation contained in my letter R.C.No.1077 J/41, dated 18-11-41. The scale recommended by me then was for the entire course and not for each year of the course. Accordingly the scale of Rs.40/- and Rs.50/- for the ENTIRE Intermediate course and the Degree courses was sanctioned by me all these years to children and dependants of soldiers reading in those courses with reference to G.O.No.272, Education, dated 16-2-42. There has been no complaint so far about the inadequacy of this allowance and no application has so far been received requesting sanction of additional allowance in this regard for the succeeding years of the courses. The books and equipment are generally purchased by the students at the beginning of the course and only some books are purchased during the succeeding years. All these factors were taken into consideration at the time I made my recommendation as regards the scale of allowances. The words "Maximum limit PER ANNUM for each child" as found in the G.O. under reference were made applicable in other cases e.g. Elementary Schools and Secondary Schools. In practice, therefore, the allowance for books etc. is granted to children and dependants of soldiers for the ENTIRE course and not per annum for the Intermediate course and the Degree Courses. I also submit that the payment of Rs.40/- and Rs.50/- per annum for the Intermediate and the Degree courses respectively will be far in excess of the actual requirements for the purchase of books etc.

3. In the circumstances, it does not appear reasonable to make a distinction between the children and dependants of soldiers and demobilised soldiers in the grant of this particular allowance. I have the honour, therefore, to request

: 2 :

request you to let me know whether the allowance for books and equipment sanctioned in G.O. No. 1167, Education, dated 12-6-46 for the Intermediate and the Degree courses is to be paid annually or for the entire course.

C.No. 60227 C.I. From the D.P.I. Re. No. 151WL/46, dated 5.10.1946.
 War - Further Education and Training of demobilised personnel.

Please see the D.P.I.'s letter in the c.f. The rates of allowance for books and equipment referred to in paragraph 6 of G.O.No. 1167 Education, dated 12.6.1946, are based on the rates sanctioned in G.O.No. 272 Edn, d. 16.2.42, (subsequently reissued in a consolidated form in G.O.No. 610 Edn. d. 20.4.45). The rates fixed in G.O.No. 272 Edn, d. 16.2.42, are again based on the rates ~~allowed~~ ^{allowed} in the 1914-18 war. In the 1914-18 war, book-allowance was sanctioned only for elementary, middle and High School classes. The grant of ~~an~~ the allowance for college classes in the 1939-45 ^{war} was a new concession. As the allowance for elementary, middle and High School classes was granted per annum the allowance for Inter. and B.A., or B.Sc. etc. was also sanctioned per annum. If the Director's intention was that the allowance for the college classes should be for the entire course and not per annum he could have pointed this out much earlier. The question of the revision of these rates was considered a number of times since 1942 but the Director never raised this particular point. Anyhow as the Director says that he has been paying the allowance for the entire Intermediate course and the degree course and not for each year of the courses and that he has not received any complaint so far about the inadequacy of the allowance, the suggestion may be accepted. It may now be laid down that the allowance for books for ~~a~~ college course ^(Inter and B.A. etc) in the case of both children and dependants of soldiers and ex-service men is for the entire course and not per annum. A draft order is submitted. Public (War), and Finance may see.
