Sir,
Sub:- Education Elementary - adult education deputation of Teachers from the Tanjore District Board - to attend lectures - sanction of Government for the deputation and the expenditure thereof - applied for

The District Educational Officer, Tanjore has informed me that vacation lectures on adult education will be conducted on the 18th and 19th January 1946 at Sir. Sivaswami Iyer High School, Thirukattupalli and that teachers from the Board Elementary Schools may be deputed to attend the lectures. The Director of Public Instruction, Madras in his proceedings Re. 4714 B/45 dated 6-12-45 stated that the District Boards whose teachers are deputed to attend the lectures should bear their expenses with the sanction of Government.

As the lectures have been arranged to be held on the 18th and 19th January 46, there is no time to obtain the previous sanction of the Government for deputing the teachers from this Board. I have therefore in anticipation of the sanction of Government deputed 25 Elementary School teachers of the secondary grade under this Board to attend the lectures.

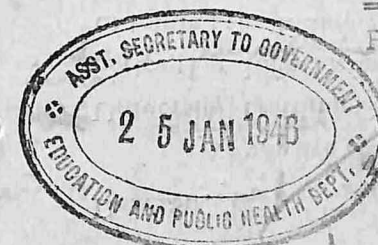

I request that Government may be pleased to accord their sanction for the deputation of the 25 teachers and for the payment of T.A. to them as per the Madras T.A. Rules from the Elementary Education Fund.

District Board, Tanjore.

Dated, 23rd January 1942

Dear Sir,
To all U. T. C. Cadets, Madras and Trichinopoly.

As you are aware it is intended that the training of the Flying Section of the University Training Corps shall begin at an early date. It has been brought to our notice that difficulty is experienced by many cadets who are interested in the possibility of joining the Indian Air Force as Pilot Officers, in providing the Rs. 100/- deposit which was required. It has therefore been decided that the condition of this deposit of Rs. 100/- shall be waived. It is however still essential that the written consent of the parent or guardian shall be obtained and submitted to the Assistant Secretary of the Flying Club (Post Box 286, Madras) in every case.

2. There are still a few vacancies for the First Course during which it is hoped to train 25 pilots; applications together with the written consent of the parent should be submitted AT ONCE to the Adjutant, by those cadets who now wish to join the Flying Section.

3. Further it is hoped that a Second Course will begin immediately after the examinations held in March and early April are concluded. If sufficient suitable
