Dear Sir,

I am sending you the resolution passed by the Hindustani Talimi Sangh at its Eighth Annual Meeting in Bhungi Colony on the 1st October for your information.

" The Sangh has reviewed the reports about the possibilities of the introduction of Basic education in the various provinces under popular ministries. It has considered, in this connection, the recommendation of the educational scheme of the Central Advisory Board of Education, commonly known as the Sargeant Scheme. While this scheme had adopted some features of Basic National Education it was felt that it had ignored the central fact, i.e., that basic national education through and based on craft must be self-supporting."

In the light of experience of the last eight years the Sangh feels assured that this can largely be so. It holds the view that in order fully to

utilise the educational possibilities of craft work, the test of useful production is an acid test. Craft work in order to be educationally effective should grow into thorough purposeful work, Casual, careless, work is not only bad work, it is also bad education and worse. Thorough craft work should be reasonably expected to produce useable articles whose value can be expressed in money. The use, in this connection, has reference not to a distant market, but to use at the place of production.

"The Sangh is anxious to see that craft as a medium of education is not allowed to deteriorate into careless and purposeless activity. It is, therefore, of opinion that wherever Basic Education is introduced the emphasis on this aspect of craft work is a sina-qua-non of success."

Yours faithfully,

Arya Nayakam

Dear Sir,

The Government of Madras had agreed to meet all the expenses of the trainees during their stay at Sewagram such as , Tution Fee, Hostel Fee, Medical Fee, Food Charges, etc. It is also mentioned that the food charges must not exceed Rs. 27/- per month.

The Government have sanctioned a lump Teaching Grant and Craft Equipment grant . We have heard from you that you are arranging to send the money(Rs. 1980/- only) by draft.

The remaining monthly expenses of the trainees will be Food Charges, Hostel Fee of Rs. 2/- per month and Medical Fee, Re. 1/- per month. Thus each trainee should get a monthly stipend of Rs. 30/-. Now amount has been received so far from you, towards this item. The trainees have now to pay their bills for August, September, and October. The Training School Closes for Dipavali on the 18th of October, and it will be better if they clear their above bill for three months before they leave this place.

We do not allow any concession for fraic-

tions of the month in the above monthly charges. So we request you to grant the stipend to the trainees also in full for the three months. For 9 candidates who are now here, the total amount comes to 9 x 30 x 3 = Rs. 810/- (Rupees Eight hundred and ten only).

Kindly arrange to ~~send~~ draw this amount and send us a draft before the 15th of October.

Hope you will treat this matter as urgent.

Dear Ariyanayagamji,

The Director of Public Instruction tells me that your letter of the 5th inst. is substantially different from the letter of the 20th ~~inst.~~ Sepv. In your letter of the 20th ~~inst.~~ Sepv. you say that dues per boy is Rs 18/- and in the letter of the 5th inst. you say that your dues per boy is Rs 30/-. I suppose you will account for the rest of the 12 as tuition fee. But since you have not made it clear there has been some confusion here. I hope you will kindly make it clear.

Dear Sir,

Sub: Deputation Allowance to trainees.

We have not received any amount so far under this head. We had suggested a sum of Rs. Thirty per month per trainee. The other governments are also allowing a similar fixed amount for full months commencing from 1--8--46, irrespective of the days one may be present in a month. This is to help the trainees for the extra expences they may have to incur here. We also charge Hostel fees, Medical Fees, and Food charges for the full month.

Now your trainees have not been able to pay their monthly bills to us for four months. Further we have occassionally to advance to individual trainees when there is delay in getting their money from you. It is a strain on the finances of the Talimi Sangh.

In this connection, the Assam Government has followed an ideal procedure. They have deposited

with the Talimi Sangh a lump sum to cover the deputation allowance of all their trainees for the full course from 1--8--46 to 30-4-47.

Any amount unspent from this will be refunded.

A similar procedure will help us both and the trainees. Kindly arrange to send a draft for the eleven trainees for the full period upto 30-4-'47.

Kindly acknowledge this letter and let us know as to whether you approve of the plan and when we may get the amount. Kindly treat this as very urgent as we may not be able to allow advances to your trainees undefinetely.

Dear Sir,

Ref: D.P.I.'s Office ROC No.4916-C.4/46,
dated 17th December, 1946.

In the above letter, the D.P.I. had asked the Government to sanction payment of two items, one for Rs. 1090/- and another for Rs. 1210/- But the Government have sanctioned Rs. 1970/- only in their order No. Ms. 2347-Edn. Dated 7th December, 1946.

The Director of Public Instruction further says that he has addressed ~~to~~ the Government to sanction the remaining amount.

To-day we received from the Accountant General's Office, Madras a letter, No. T-9.Edn. I-1188., dated 10 th January, '47, asking the Account General, Central Province to pay us the amount through the Wardha Treasury. We hope we will be able to receive the money only in February.

The extra-ordinary delay will become evident from the following dates:

The Director of Public Instruction first addressed to the Government on 8--10--46, and again on 2-12-'46 and the Accountant General's letter, we received, is dated the 10th January, 1947. The money will be in our hands, we think, in another month's time.

We request you, therefore, to make the following arrangments through the different departments as early as possible:

The total amount due in respect of the eleven trainees upto April, 1947, may please be calculated and sent to us in a lump sum by a draft on the Imperial Bank Ltd., Wardha.

We will be receiving the amount of Rs. 1970/- from the Wardha Treasury in due course. So this amount be deducted from the Total dues. The other Governments are all following the same procedure.

Please see herewith a letter from the Hindusthani Talimi Sangh, Sewagram. There seems to be still trouble about the matter of giving them money. The idea of sending them a lump sum to be adjusted every month may be considered as other provinces are doing. The matter may be treated as urgent so that we may not get another letter from them.

Education & Public Health *Department.*

Sir,

In submitting herewith a copy of the letter dated 13-1-1947 from the Secretary, Hindustani Talimi Sangh to the Hon'ble Minister for Education, I have the honour to state as follows:--

2. Government were pleased to sanction the payment of a sum of Rs.1970/- in their order No.2347 Edn., dated 7-12-1946, though I recommended the sanction of Rs.1090/- and Rs.1210/- respectively in my letters Roc. No.4916 C4/46 dated 8-10-1946 and 2-12-46. I invite the attention of Government to my letter Roc.No.4916 C4/46 dated 13-12-1946 in which I have already recommended the sanction of the additional sum viz. Rs.330/-. I now recommend the payment of Rs.1320/- being the following:-

p.t.o.

		Rs.
(a) Balance of grant due to the Hindustani Talimi Sangh, Wardha -		
Amount due as per the Director's letter to Govt. dated 8-10-46.	Rs.1090

Copy of letter referred to overleaf (Letter from the Hindustani Talimi Sangh dated 13-1-1947)

Ref: D.P.I.'s office Roc.No.4916 C.4/46 dated 17th December 1946.

In the above letter, the Director of Public Instruction had asked the Government to sanction payment of two items, one for Rs.1090/- and another for Rs.1210/- But the Government have sanctioned Rs.1970/- only in their order No.Ms.2347 Edn., dated 7th December 1946.

The Director of Public Instruction further said that he has addressed the Government to sanction the remaining amount.

To-day we received from the Accountant-General's Office, Madras a letter, No.T-9.Edn., I-1188., dated 10th January 1947, asking the Accountant-General, Central Provinces to pay us the amount through the Wardha Treasury. We hope we will be able to receive the money only in February.

The extra-ordinary delay will become evident from the following dates:

The Director of Public Instruction first addressed the Government on 8-10-46 and again on 2-12-46 and the Accountant-General's letter, we received, is dated the 10th January, 1947. The money will be in our hands, we think, in another month's time.

We request you, therefore, to make the following arrangements through the different departments as early as possible:

The total amount due in respect of the eleven trainees upto April, 1947, may please be calculated and sent to us in a lump sum by a draft on the Imperial Bank Ltd., Wardha.

We will be receiving the amount of Rs. 1970/- from the Wardha Treasury in due course. So this amount be deducted from the Total dues. As the interprovincial transfer through the treasury entails considerable delay, we request to specially that the amounts are sent to us through Bank Draft. The other Governments are also following the same procedure.
