27. 11.46.

Sir,

In continuation of this Department Circular letter
No. F.18/45-E(ii), dated the 12th September, 1945, I am
directed to say that the Government of India have decided
to continue the scheme of financial assistance to evacuee
University students during the academic year 1946-47. As
the conditions in Burma and other Far Eastern territories
are returning to normal, the Provincial Governments/ you
are requested to make thorough enquiries regarding the
financial position of the student in each individual case
before recommending it to the Government of India. Academic
year 1946-47 being the final year of the period of 5 years
for which the scheme was originally initiated, it will not
be continued beyond the current academic year and no fresh
entrants to the scheme during the year will be considered
eligible for assistance. Only students who are already in
University classes and embarked upon their courses of studies
with the help of Government assistance will continue to receive
it during this year. Evacuee students taking up L.T. or B.T.
or similar other courses after graduation may be given
repayable advances upto a maximum limit of Rs. 600/- only
during this academic year also. All students should be warned
that the scheme will not be continued beyond 1946-47.

2. The instructions contained in this Department letter
No. F.156-1/43-O.S., dated the 13th July, 1943, regarding
the grant of financial assistance to evacuee University students
during.

during vacations and those contained in this Department letter No. F.20/44-E(ii), dated the 7th April, 1945, regarding the grant of clothing expenses etc. to them. will continue to apply.

3. The Government of India have now decided to stop granting assistance to evacuee University students in respect of the academic year 1945-46 except in those cases where the Provincial Governments have already advanced certain sums to the students in anticipation of the Government of India's sanction. No amounts for the academic years 1942-43, 1943-44 and 1944-45 will henceforth be sanctioned. As this is the final year of the scheme, the Provincial Government/you are requested to forward all cases for sanction for the current academic year before the 31st March, 1947.

4. I am to say further in modification of the last sentence of para. 2 of this Department letter No. F.18/45-E(ii), dated the 6th June, 1946, that in deserving cases where the students are not new entrants to the scheme non-repayable educational allowances for the whole of the academic year 1946-47 may be continued even though the parents or guardians of the students concerned have returned to the country from which they evacuated. In these cases, the local authorities should make thorough enquiries in regard to the financial condition of the parents or guardian of the student concerned.

5. The expenditure under the Scheme should be debited to the Group head "N.-Expenditure in connection with evacuees. N.1- Expenditure on Indian evacuees from War Zones and dependants of persons detained there: N.1(1) - Administration of the Scheme of assistance: N.1.(1):(3) - Other Charges" under Demand No. 66- Miscellaneous.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Secretary.
