EDUCATIONAL DEPARTMENT.

SUB:-Madras Educational Service - Electrical department of the College of Engineering, Guindy - instructor in Electrical Engineering. - Vacancy - Filling of - Proposals - Submitting.

R.Cl.No.72/46

Dated 2nd December 1946.

From

Dr.S.R.U. Savor, M.A.,D.Sc.,I.E.S.
Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education & Public Health Department,
Fort St.George.

Sir,

I have the honour to state that in G.O.No.Ms.1942, Edn., dated 10th October 1946, the Government were pleased to appoint Sri K.N. Ramanathan, officiating Instructor in Electrical Engineering, to officiate as Professor of Electrical Engineering, Arthur Hope College of technology, Coimbatore, under emergency provisions. In addition to the vacancy in the post of Junior Instructor in Electrical Engineering, which is vacant from 18-12-1945, the post of Instructor in Electrical Engineering will also fall vacant when Sri K.N. Ramanathan is relieved. The Principal, College of Engineering, Guindy, has represented that the work in the Electrical Department of the College will suffer if Sri K.N. Ramanathan were to be relieved from Guindy, without a substitute.

2. In regard to the filling of the post of Junior Instructor in Electrical Engineering, the Government have under consideration my proposal for the appointment of Sri K.S. Bikshandeswaran to the post - vide: Government Education & Pub. Health Department No.23 A.10, dated 26-11-1946, addressed to the Secretary, Public Service Commission, Madras.

3. As regards the filling of the post of Instructor in Electrical Engineering, College of Engineering, Guindy, the Chief Engineer for Electricity, whom I consulted, is prepared to spare the services of a Junior Engineer from his Department for appointment to the post of Instructor. He has recommended the names of four Junior Engineers out of whom I have selected the following officer as the most suitable for appointment as instructor. I submit below full particulars of the selected candidate:

Name and Designation.. Sri K. Madhavan Kutty.
Junior Engineer, Meter & Relay Tests,
Coimbatore.

Qualifications... .. B.Sc.
Certificate of proficiency of Electrical Engineering of the Indian Institute of Science, Bangalore.
Passed Electricity Department Account Test.
Passed First Aid Examination.

Departmental experience .. Junior Engineer, Electrical Inspector's Office from 15-7-1938. Completed probation on 23-8-1940 A.N.
Junior Engineer, Office of the Chief Electrical Inspector to Government, from 18-6-1943.
Attended to inspection of licensee

2.

undertakings and cinemas, office work, rationing, sur-charge, tariffs, detailed scrutiny of Indian Electricity Rules.

Junior Engineer: Electrical & Mechanical Division's office: From 25-11-1943. Attended to technical work connected with the Mettur 4th Unit contract and maintenance of Mettur system.

Junior Engineer: Meter & Relay Tests Sub-Division. Pykara system from 15-5-1945.

Service in the Government Electricity Department.. 8 years and 2 months.

As Sri K. Madhavan Kutty is reported to be the best qualified to teach the subjects now taken by Mr. K.N. Ramanathan, I recommend that the Government may be pleased to appoint him to officiate as instructor in Electrical Engineering, College of Engineering, Guindy, under rule 9(a)(i) of the General Rules for the Madras Provincial and Subordinate Services, in the first instance.

4. In this connection I may state that at present there is no provision in the Special Rules for the Madras Educational Service for appointing a Junior Engineer from the Electricity Department to a suitable post in the Colleges of Engineering in the Education Department, except under emergency provisions. I consider that some provision should be made in the Special Rules so as to permit the regular employment of suitable Officers from the Electricity and Public Works Department as and when absolutely necessary, for a fixed period. Pending consideration of this question, I request that the Government may kindly order the appointment of Sri K. Madhavan Kutty as Officiating instructor in Electrical Engineering, in the Madras Educational Service, immediately, under emergency provisions.

5. In view of the fact that Dr. J.J. Rudra, who is taking some classes in Electrical Engineering in the Arthur Hope College of Technology, Coimbatore, is reverting to the Engineering College, Guindy, it is essential that Sri K.N. Ramanathan will have to join duty as Professor of Electrical Engineering, Arthur Hope College of Technology, Coimbatore, very urgently. I therefore solicit the early orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

S. K. S. S. S.

Director of Public Instruction,
Madras.

M.E.S. - Post of Instr. in Elec. Engg., Engg. College, Guindy - Filling.

Sri K.N.Ramanathan, offg. Instr. in Elec. Engg., College of Engg., Guindy, was promoted, in the G.O. at "r"/C.F.4, as Prof., A.H. College of Tech., Coimbatore. Arrangements for filling the Instructorship have to be made immediately; the D.P.I. reports that Sri Ramanathan were to be relieved at Guindy, without a substitute, for taking up the Professorship at Coimbatore, the work in the Guindy College will suffer and, at the same time, that it is essential that Sri Ramanathan has to join duty at Coimbatore very urgently as Dr. J.J. Rudra, Principal, who is taking some classes in Elec. Engg. in there Coimbatore College is reverting to the Guindy College.

2. The Dir. recommends that Sri K. Madhavan Kutty, a Junior Engineer of the Electricity Dept., whom he has selected out of four persons recommended by the C.E. and who is reported to be the best qualified to teach the subjects now taken by Sri Ramanathan, may be appointed to the post, under the emergency provisions. It may be recalled, in this connection, that when the question of filling the post of Junior Instructor in Elec. Engg. in the Guindy College was under consideration, the Dir. mentioned that the C.E.'s report in the matter was that he would be able to spare the services of ~~some~~ ^{two} Junior Engineers of his Dept. ^{with about 8 yrs. of service} but that they would ~~not be fit~~ ^{be of no use} for teaching. That remark about the Junior Engineers' fitness for teaching should ordinarily apply to the post of Instructor also - which is a higher post than the Junior Instructor's, and for ~~which~~ ^{which} one of the qualifications prescribed is "capacity to lecture up to the B.E. standard". But, in view of "A" above, of the necessity to make an appt. immediately and also of the likelihood of no fully qualified candidate becoming available if the ^{vacancy} is advertised for direct recruitment, the Dir.'s recommendation to appoint Sri Madhavan Kutty may be approved. For orders.

[The tempy. vacancy need not be reserved
