To all U. T. C. Cadets, Madras and Trichinopoly.

Dear Sir,

As you are aware it is intended that the training of the Flying Section of the University Training Corps shall begin at an early date. It has been brought to our notice that difficulty is experienced by many cadets who are interested in the possibility of joining the Indian Air Force as Pilot Officers, in providing the Rs. 100/- deposit which was required. It has therefore been decided that the condition of this deposit of Rs. 100/- shall be waived. It is however still essential that the written consent of the parent or guardian shall be obtained and submitted to the Assistant Secretary of the Flying Club (Post Box 286, Madras) in every case.

2. There are still a few vacancies for the First Course during which it is hoped to train 25 pilots; applications together with the written consent of the parent should be submitted AT ONCE to the Adjutant, by those cadets who now wish to join the Flying Section.

3. Further it is hoped that a Second Course will begin immediately after the

courses held in March and early April are concluded. It is sufficient to say that the

P. S.—To all students who are NOT members of the University Training Corps. The U. T. C. Flying Section is open only to U. T. C. Cadets. Vacancies continually occur in the U. T. C. and students who are anxious to join the Indian Air Force through the U. T. C. Flying Section should apply to the Adjutant for admission into the Corps as soon as there is a vacancy.

D. D. WARREN,
Government Representative,
R. J. DYSON,
President,
Madras Flying Club.

Yours faithfully,

applicants are selected—and some 50 are required—a vacation course will be held at Meenambakkam during this period. It is hoped that short week-end leave may be arranged in certain cases and this course has been particularly devised in order to provide training for cadets from Trichinopoly.

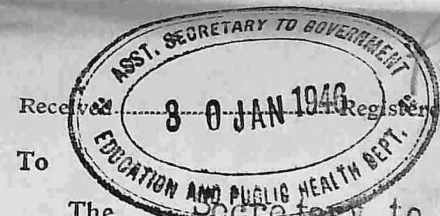

4. Applications headed "Second Course" should be forwarded without delay to the Adjutant together with the written consent of the parent or guardian in each case.

5. We would again impress on cadets interested in the Indian Air Force that it is the intention of the promoters of the University Flying Section to train cadets in flying, and in the military aspects of flying, so that they shall be eminently suitable for final selection for entry into the Commissioned ranks of the Indian Air Force as Pilots. Cadets undergoing flying training will not be called upon to pay subsistence charges whilst in camp. Other details may be had on enquiry of the Adjutant or direct from the Assistant Secretary, Madras Flying Club, Post Box 286, Madras.
