R.C.No.3365 EL/46.

Office of the  
Director of Public Instruction  
Madras, Dated 9-11-1946.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.T.S.,  
Director of Public Instruction, Madras.

The Secretary to Government,  
Education and Public Health Department, Madras.

Schools - European - Scholarships - Award.

I have the honour to report that there are four grades of scholarships tenable by pupils in the European and Anglo-Indian Schools - (viz) Middle, High, Collegiate and final - Vide Article 82 of the C.R.T.S. Till 1938 the middle, high and the Collegiate scholarships were awarded by the Inspectress, of European Schools and the final scholarships were awarded by me. Subsequent to that all the scholarships are now being awarded by the Inspectress of European Schools, with reference to the amendments approved in G.O.No.Hs.239 Edn., dated 31-1-1938. The power of awarding all the scholarships was recommended to be delegated to the Inspectress of European Schools solely on the ground that senior officers of the Inspectress of European Schools cadre were appointed to the post - mostly European Officers - and they could be trusted to exercise the powers judiciously. Having regard to the fact that such senior officers are not now in charge of the post, that the rate of the collegiate and final scholarships will hence forth be Rs.25 and 35 respectively - (vide this office letter Rc.7918-EL/46, dated 30-9-1946) - and also as similar scholarships for students in Indian Colleges are awarded by me, I am strongly of opinion that the power of awarding the Collegiate and final scholarships, should be taken over by the Director. With that view, I recommend for the approval of Government, the following amendments to the C.R.T.S.:--
