Re.No.7918 E1/46 dated 30-9-1946. - 037 1018

Sir,

Schools - European - Provision of additional scholarships
and increase in rate - Recommended.

57886

I have the honour to request that the number of Government scholarships granted to poor and deserving pupils under Article 82 of the Code of Regulations for European Schools be enhanced in the circumstances explained below. At present and for many years the following scholarships are tenable:-

Grade.	Number.	Rate.
1. Middle. From S ^{ts} .V to VII.	20(8 for girls and 12 for boys)	Minimum Rs.6/- p.m. Rs.8/- p.m.
2. High. Stds.VIII & IX.	20(8 for girls and 12 for boys)	Rs.10/- p.m. Maximum Rs.12/- p.m.
3. Collegiate. Intermediate Course.	7(3 for girls & 4 for boys)	Minimum Rs.15/- p.m. Maximum Rs.20/- p.m.
4. Final.graduate Course.	6 (3 for girls and 3 for boys)	Minimum Rs.20/- p.m. Maximum Rs. 20/- p.m.

Total number of scholarships - ~~50~~ 53.

Statistical particulars of the applicants for these several grades of scholarships are given below:-

Grade.	1940	1941	1942	1943	1944	1945
Middle.	41	46	41	61	53	32
High	25	27	21	27	29	36
Collegiate.	16	14	17	22	15	21
Final.	7	11	7	5	16	8
Total.	89	98	86	115	93	97

It will be seen from the above data that the number of applications is increasing year after year and is far in excess of the number of scholarships available at present. Anglo Indians are speedily progressing in their education but lack of financial facilities hinders their progress. During the post-war period, I anticipate that the number of applications will greatly increase as the Anglo-Indian community will need more help. I request that the scholarships be not only enhanced in number but also in value to meet the present high cost of living. I therefore recommend that the number and value of scholarships be raised as follows:-

/p.t.o.

	Rate.	Total estimated Cost.
Middle. From 20 to 30 (15 for girls 15 for boys)	Rs.10 - 30x9x10=	Rs.2,700 ✓
High. do. do. do.	Rs.15 - 30x9x25=	Rs.4,050 ✓
Collegiate. From 7 to 10. (5 for girls 5 for boys)	Rs.25. 10x9x25=	2,250 ✓
Final. From 6 to 10. (5 for girls 5 for boys)	Rs.35. 10x9x35	3,150 ✓

Total estimated cost.		Rs.12,150
The present cost to Government.		6,480

Extra cost to Govt. by the above proposal.
Both in 47-48 and in ultimate years. 5,670 or 5,700 in round figures

2. I am of opinion that the sum of Rs.12,150 spent under this item can by no means be considered extravagant and therefore recommend the scheme for approval.

3. I am including the necessary provision in Part II of my estimates for 1947-48.

The existing scholarships were sanctioned long ago. The number of Anglo-Indian and European students has increased considerably since then. The cost of living has also increased very much.

It may be mentioned in this connection that the Govt. sanctioned an increase in the number and value of Govt. scholarship granted in ^{General} Government schools last year. Please see G.O. 952 Edn. dd. 7.5.46. In that connection, the then Adviser for Education Sir Thomas Austin minuted as follows : --

" This is, I think, a good scheme and deserves support. It is in consonance with our post war idea to increase scholarship facilities "

What applies to general schools applies to European schools also. The proposal involves an additional cost of Rs. 5,670. It may be supported in this department and the file sent to Finance for remarks.

The D.P.I. has proposed that the existing number and the value of Government scholarships granted to poor and deserving pupils in European and Anglo Indian Schools may be enhanced as indicated in the statement on p.1 N.F. The scheme involves a recurring expenditure of Rs.5,700 (roundly) per annum. The E. & P.H. Department recommend that the proposal may go forward as a Part II Scheme for 1947-8.

2. The proposal is urged on the grounds that the existing scholarships were sanctioned long ago, that the number of Anglo Indian and European students has increased, that the cost of living has also increased and that as the Govt. have increased

the number and value of scholarships granted in general schools, the number and value of scholarships granted to Anglo-Indian and European pupils also should be increased. The scheme does not seem to satisfy the criteria laid down for Part II Schemes for 1947-8 in Finance U.O. Note No.54303 (B)-1, dated 9-10-46. The E. & P.H. Department may be requested to take orders in circulation including H.P.M. as to whether the proposal should be treated as a Part II Scheme for 1947-8.
