Finances (Info)
 The Special Officer requires both the portable typewriter now in use as well as a standard typewriter. As there is only one typewriter attached to this office, it is not possible to have both. It is suggested that a standard typewriter which can serve both stations and in which may be allowed in lieu of the portable typewriter which may be returned to the Stationary Officer E.A.P.H. may be requested to be considered.
 Subject to the above remarks, the draft order overleaf may be accepted.

G.O.Ms.No. 2372.Edn. dated 12-12-1946.

I have the honour to state that in the above
referred Government Order Government, while sanctioning a
standard typewriter have ordered that the portable typewriter
now in use should be returned to the Superintendent of Stationery.

As the standard typewriter cannot be
conveniently taken with me, whenever I go on tour
and as there is typing to be done while I am on tour I request
that the Government will be pleased to reconsider their decision
and permit me to retain the portable typewriter also.

I have the honour to be,
