From A. Lepper Esq., Superintendent, Government Press, Madras. To The Deputy Secretary to Government, Education and Public Health Department, Fort St. George, Madras. No.Tdr.47/48., dated 30th November 1946.

Sub: Government Press, Madras - supply of stores etc., - invitation of tenders 1947-48 - suspension - Orders requested.

I have the honour to invite a reference to G.O.Ms.No.202 Edn., dated 29-1-46 in which my proposal for dispensing with the usual procedure of getting supplies of store articles on annual tender system with the execution of agreements during 1946-47 was approved. The rates of various articles are still fluctuating and the situation has not improved. Most of the articles, which are of recurring nature for the working of the Press are not easily procurable in the market to effect purchases immediately.

2. Under the circumstances and for reasons already explained in my letter No.Tdr.43-44 dated 9-12-42, I request that orders may be issued to continue the purchase of articles at the existing market rates as and when required and for suspending the usual procedure of getting supplies on tender system for the next official year 1947-48 also. In accordance with the present practice, notices inviting tenders will however, be issued to the available concerns

in respect of purchase of large items of store articles once in three months during 1947-48, also, and the successful tenderer will be asked to furnish the security deposit for the faithful performance of the supply of articles accepted.
