I have the honour to state that the petitions of Sri V. Madhavachari, Headmaster, Board School, M. Please see the representation x from a teacher of the South Arcot District Board. The Government order was that the teachers who were sent out of service for joining the political movement of 1942 should be reinstated in their old positions. I understand that previous service has not been taken into account in the South Arcot District Board. That is not according to the Government orders. The real intent of the Government may be brought to the notice of the President, District Board and the petitioner may be given the benefit of his old service.

The question for consideration is whether ^{the} services
performed by the teacher during the years 1923-1931 should
be taken into account for refixing his salary in the
time scale of pay. The Govt's orders are that teachers
whose services were terminated or who resigned their jobs
in connection with the political movement of 1942 should be
reinstated in service and given the benefit of the time
scales of pay taking into account their past services.
The teacher in question resigned his appointment ^{and re-employed in 1936.}
under the District Board in South Arcot in 1931. It does ^{not appear to be the intention of H.M. that the request}
of the petitioner should be complied with. The file may
be circulated to him for orders.
