Note.

pp19-21 of Ⓛ

1. Revised estimate for 1945-46.- The main feature of the revised budget is that the Municipal council has enhanced the rate of education tax levied as a component of property tax, from ½ per cent. to 1 per cent. per annum from 1st April 1945. This was approved by Government in para 4 of G.O.No.Ms.254 Edn., dated 20th February 1945. This increase coupled with that resulting from the general revision of assessments on all properties except those owned by Government and the South Indian Railway company, which took effect from 1st April 1945 is expected to bring a revenue of Rs.14,500 during the current year, as against Rs.6,417 realised during 1944-45.

2. In G.O.No.Ms.1026 E. & P.H., d/ 11-7-45 the Government have sanctioned a grant of Rs.6,336 under section 37 of the Elementary Education Act based on the actual collections of education tax for the year 1944.45. With reference to G.O.No.530 E & P.H., d/ 6th April 1945, credit has been taken under same head for the difference of contribution payable by Government on the basis of 1-1/3 per cent of the property rentals representing the amount required to make up the average level of taxation which was in force in 1940-41. This was reported to Government in my letter No.D.Dis.B4-5662/45, dated 23rd July 1945.

3. Under "Receipts - Capital" - Government grant, credit has been taken for a grant of Rs.8,800 towards the cost of constructing an elementary school building at Kandal, as sanctioned in G.O.No.Ms.1762 E & P.H., dated 31st October 1945.

4. The foundation stone for this building was laid by Sir Thomas Austin, K.C.I.E., I.C.S., Adviser to H.E. the Governor, and the work is nearing completion.

5. Amongst the other improvement to the schools provided for in the revised estimate under capital expenditure ~~xxx~~ is the levelling the playground of the Municipal elementary school at ~~Kandal~~ Kodappamund at a cost of Rs.1,500.

6. The present playground of the Municipal elementary school at Kodapamund is uneven and consequently it is unsuitable for the young children to play. The Municipal council has sanctioned an estimate amounting to Rs.1,500 for levelling the playground. The cost of this will be met by re-appropriation from the closing balance in the budget estimate for 1945-46. The Director of Public Instruction has been addressed for sanction for re-appropriation from the closing balance.

Appln had been recd by Govt.

7. A sum of Rs.500 has also been provided for the purchase of furniture and apparatus for the elementary schools.

8. The expenditure on the staff has increased to Rs.36,130 owing to the payment of dearness allowance at the enhanced rates of Rs.16 and Rs.18 with effect from 1st January 1945.

9. The increase in the rate of education tax levied by this municipality as well as the additional contribution sanctioned in G.O.No.530 E & P.H., dated 6th April 1945 have relieved the general funds to a substantial extent of the contribution to the elementary education account, which was increasing year after year to the detriment of other amenities of the town.

10. The revised estimate closes with a balance of Rs.3,196.

Not put up

11. Budget estimate for 1946-47.- Credit has been taken for a grant of Rs.19,343 under Government grant on account of contribution from Provincial funds in respect of education tax under G.O.No.530 E & P.H., dated 6th April 1945, based on the property rentals which have undergone revision from 1st April 1945.

12. Credit has also been taken ~~forxx~~ under Receipts - Capital for half grant towards the cost of improvements to the Municipal Elementary school at Thalayatimund viz. Rs.2,825.

13. In his letter Roc.No.2105-B/45, dated 14th September 1945, the

Director of Public Instruction has intimated that the revised estimate for improvements to the elementary school at Thalayatimund at a cost of Rs.5650 has been approved by the Consulting Architect and that a subsidy of Rs.2,825 on half grant basis has been recommended and would be included in Part II Estimate for 1946-47.

14 Provision is made in the budget for the payment of dearness allowance as well as local allowance to the staff at the existing rates and also for the appointment of an additional secondary grade teacher for the ~~mmmk~~ combined elementary school at Kodappamund, in furtherance of the decision of the council in its resolution No.548 dated 14th Novr. 1945 to raise it to the standard of a higher elementary school, at the request of the parents of children in the locality supported by the Inspectress of Girls schools, Fifth circle, Coimbatore in her letter Rc.No.137 D/1945 dated 2nd October 1945. The budget estimate closes with a balance of Rs.3,195.

15 The remarks and recommendations made by the Inspectress of Girls' schools, Fifth circle, are as follows.-

(1). Accommodation.- The space available for gardening in the Muslim girls' schools, Kandal is quite inadequate and there is no space for play.

16 In the Municipal Muslim Girls' school, Main bazaar street, apart from the congestion in the classes, there is no provision for play-ground and garden.

17 Urgent steps are to be taken to provide these.

Equipment.- Adequate.

General.- The Assistant's post that is vacant in the Municipal Muslim girls' school, Main bazaar needs to be filled at an early date.

18 As no suitable buildings with open space to serve as playgrounds are available either at Kandal or at Main bazaar, it is not possible to give effect to the recommendation of the Inspectress of Girls' schools, Fifth circule.

19 The Municipal council is keenly interested in putting up its own buildings for the schools under its management. In pursuance of this policy action has been taken to replace the rented buildings one by one in course of time. With this end in view, the council has recently applied for the alienation of Government land at Mullikorai to put up a building. When the alienation is sanctioned, the Government will be approached for half grant during next year. Pending the sanction of alienation of land plans and estimates for the building are under preparation.

20 The remarks of the Deputy Inspector of schools, Nilgiris range, have not so far been received.

21 There are no rent-free buildings occupied by any of the schools, and hence no provision has been made for repairs thereto.

22 The sum of Rs.300 provided under repairs to buildings is intended to meet the expenditure on repairs to the buildings owned by the Municipal council.

23 The provision made in the budget in respect of the staff, equipment, accommodation, etc. is based on actual requirements of each school and is adequate.

Subject:- Elementary Education fund - Ootacamund Municipal Council - payment of dearness allowance - deficit.

Reference:- Memorandum No.26899-C-1/46 dated 23rd, September 1946.

The actual closing balance under elementary education account for the year 1945-46 was a deficit of Rs. 368-11-1. Since arrears of dearness allowance for the period from 1st July 1944 to 31st December 1944 to be paid to the teachers in elementary schools according to G.O.No.Ps.1552 dated 19-9-1946 are not provided for in the current year's budget, it is not possible to meet this extra expenditure from the elementary education fund. The total amount of this comes to Rs. 2200-0-0 which will be met by contribution from the General Funds. I request that Government may be pleased to sanction a subsidy equal to this amount by February 1947.
