Sub:- Government College for Muslim Women, Madras - appointment of a Male attender for the Laboratory -

In G.O.No.831 Edn., dated 17-4-46, Government sanctioned the employment of 3 attenders for the Government College for Muslim Women, Madras since the institution is mainly intended for Gosha students, 3 lady attenders for the 3 laboratories have been appointed. The Principal of the college has now pointed out the necessity for a male attender for the Natural Science laboratory. She states that Botanical Specimens have to be collected from varrious places and the Zoology section also needs the collection of animals and insects. while the woman attender can be useful only inside the laboratory to assist in the practical work, she cannot be expected to attend to the work of procuring specimens. For out door duties, such as procuring specimens, getting petrol and other laboratory articles it is essential to have an extra male attender. I request that as a special case the employment of a male attender on Rs.19-30 with P.A. of Rs.12/may kindly be sanctioned. The services of this attender will be utilised for all the 3 departments in the college.
