Sub: Gazette - Fort St. George ~~Gazette~~ Central Ordinances -
change of Part in the publication of - from Part I to
III B - suggested.

The Central Government Ordinances are being published in
Part I of the Fort St. George Gazette by the Legal Department.
Ordinances being in substance Acts, I think they should properly
be published in Part III B of the Gazette wherein India Acts are
also published. In this connection I enclose the copy of a letter
received from Sri V. Kannan Nair, Advocate, Coimbatore on the
above subject for the consideration and orders of Government.

Enclosure.

Copy of post card dated 2-10-46, from Sri V. Kannan Nair, Advocate, Coimbatore; to the Superintendent, Govt. Press, Madras.

The Ordinances of the Viceroy and Governor General are republished in the Fort St. George Gazette but not in its supplements. This deprives the Rules Supplements, Acts and Bills subscribers of the benefit of having a copy of such Ordinances. There is no reason why such ordinances should not be republished and issued to subscribers of Acts and Bills as ordinances are also Acts, though ~~xx~~ not in form and name.

May I suggest to you to rectify this error and issue Viceroy's Ordinances to subscribers of Acts and Bills also forthwith and oblige.

Gazette - Fort St. George - Central Ordinances -
Publication in Part I - Change to Part III / B
suggested.

Ref: Letter from ~~the S.G.P.~~ M.G.F. 491 of
18-10-46 from the S.G.P.

A.S. please see the letter from the S.G.P.
in p.1 ante. The S.G.P. suggests that
the Central Ordinances which are now
republished in Part I of the F.S.G. Gazette
may hereafter be republished separately
in Part III-B of the Gazette so as to
facilitate ^{their} being compiled separately
for ready reference, as Ordinances are in
substance Acts. He has also invited the
attention of the Govt to the letter by an
advocate, Coimbatore, which is a copy

Gazette - Fort St. George - Ordinances etc. - Publication
Change in Part - Suggestions.

Ref: Letter No. G.F.491 dated 18-10-1946 from the S.G.P.

Please see the letter from the S.G.P. at p. 1, c.f.
and the copy of the letter at p. 2, c.f. from an advocate
Coimbatore.

2. The S.G.P. suggests that all Central Ordinances should properly be published in Part III-B of the Fort St. George Gazette as they are in substance Acts, instead of in Part as at present. The advocate, at p. 2 c.f., suggests their publication in the F.S.G. Gazette as Supplements to it so as enable the public to secure copies of Ordinances separately as in the case of Bills and Acts (both Central and Madras).

3. The question of improvement in the arrangement and style of the F.S.G. Gazette was last considered in 1941 by E. & P. H. in consultation with the S.G.P. and the Department of the Secretariat as well as the Heads of Departments and orders were finally issued in G.O.No.1617, Education, dated 30-10-41. In that connexion, the suggestions made by the office, the D.S. (as A.S. I) and Mr. Appu Nair (the then Legal Secretary) were as follows:-

S.No.	Subject.	Office	D.S. (as A.S. I)	Mr. Appu Nair. (then Legal Secy)
1.	Central Ordinances (now published in Part I)	New part III-C	Part III-B or as its supplement.	Supplement to Part III-B.
2.	Madras Ordinances (now published in Part I)	New part IV -C.	Part IV-B or as its supplement.	Supplement to Part IV-B.
3.	Madras Regulations (now published in Part I)	New Part IV-D	Part IV-B or as its supplement.	Supplement to Part IV-B.
4.	Rules, Notifications made under enactments (Central & Provl.) (now issued as supplements to the relevant parts)	New Part V.	Supplement to Part IV-B or Part V in the case of rules made by the Provl. Govt. under any enactment (Central or Provl.) & Part III-B (Supplement) in case of rules etc. made by Central Govt.	Supplement to Part IV-B.
5.	Acts of Parliament, Orders in Council and rules made under Acts of Parliament	New Part VI.	Separate Part or in a Supplement to	Separate Part

Suggestion 4 was considered but finally dropped
mainly for the reason that local bodies and educated
officers who received Parts I-A and I-B respectively free of
cost would have to be supplied free of cost with Part IV
(a major portion of which does not concern them) and that this
would involve a considerable additional expenditure on the part
of this Government. The other suggestions of this Department
do not appear to have been considered in 1941.

Now that the S.G.P. himself has raised the question of
changing the Part in the case of publication of Central Ordinances,
the present seems an opportune moment to consider the suggestions
1, 2, 3 and 5 as modified by this Department. Suggestion 4 need
not be re-opened. It seems that the new arrangement may come into
force on and from 1-1-47. The extra cost that will be involved
by giving effect to the suggestions is likely to be small.
The file may be sent to the S.G.P./u.o. who may be requested
to treat the matter as very urgent.
