SUBJECT.

Establishment - Temporary - Office of the Commissioner for Government Examinations, Madras - Rules for recruitment.

R.C.No.218-A/45

Station, M a d r a s,

Dated the 5th January 1946. (2)

From (Name) Dr. S. R. U. Savor, M.A., D.Sc., I.E.S.,
(Designation) Commissioner for Government Examinations

To The Secretary to the Government of Madras,
Education and Public Health Department,
FORT ST. GEORGE.

1 I have the honour to state that rules for the recruitment of temporary clerks employed in this office for seasonal work and who are paid from out of the lump sum allotment of Rs.2,000/- sanctioned by Government every year, are governed by G.O.No.1 Public (Services), dated 2nd January 1935, as amended in G.O.No.Ms.2181 Education and Public Health, dated 13th November 1940.

2 In connection with the recruitment of clerks in October 1943, candidates satisfying the conditions laid down in the Government Orders quoted above, were not available on account of lucrative appointments available in the Defence Services.

3 Government were, therefore, requested in this office letter, R.O.C.No.334-A/43, dated 30th October 1943, to keep in abeyance the operation of the rules laid down in the Government Orders quoted above, for the duration of the war. In their order, Ms.No.1704 Education, dated 16th December 1943, Government approved this office suggestion and directed that proposals for the issue of rules regulating the conditions of service of persons for filling up the posts of temporary clerks in this office, should be submitted after the cessation of hostilities.

4 I am to state that even after the cessation of hostilities, there is paucity of qualified hands. Out of 24 candidates who applied for appointment as temporary clerks this year, only 9 possess the minimum general education qualification, prescribed for public service and the rest do not. Applications from all communities are also not available. Two or three persons who were appointed resigned the job after working for a few days when they got better jobs.

5 In this connection, reference is also invited to the concluding portion of paragraph 1 of my letter, R.C.No.14-A/44, dated 16th November 1945, in reply to Government Memorandum, No.51505/45-1 G.P.H., dated 13th November 1945, informing Government that persons with war service will be appointed to these posts, provided they are readily available. War service persons have not yet been made available and as actual difficulty is still felt in securing the services of persons satisfying the rules, I recommend that the orders contained in paragraph 1 of G.O.No.1704 Education, dated 16th December 1943, may be continued in regard to these temporary appointments till the end of June 1946 and the question of issuing rules governing the conditions of appointment, may be taken up after the expiry of that period. This extension of time is necessary to carry on the urgent work connected with the ensuing examinations.

I have the honour to be,
Sir,
Your most obedient servant,

M.A./1-1.

P. L. S. S. S.
