Sir,

I have the honour to inform you that the next (34th) session of the Indian Science Congress Association will be held at Delhi from 2 to 8 January, 1947. This cancels the previous announcement of the session being held at Patna.

I shall be obliged if you kindly inform all the delegates, who are planning to attend the session from your Department. This change of venue had to be decided upon because the 1947 session of the Indian Science Congress will be inaugurated by Pandit Jawaharlal Nehru and we are also expecting the visit of some eminent foreign scientists there.

I have the honour to be,

Sir,

Your most obedient servant,

B. Mukerji

Sir,

Sub: Conference - Indian Science Congress session to be
held at New Delhi in 1947 - Permission to Sri T.N.
Muthuswami, Professor of Geology, Presidency College,
Madras to attend the conference - grant of.

I have the honour to state that Sri T.N. Muthuswami,
Professor of Geology, Presidency College, Madras requests that
he may be permitted to attend the conference of the Indian
Science Congress to be held at New Delhi from 2-1-1947 to
12-1-1947 both days inclusive. Sri T.N. Muthuswami reports
that he has been elected as Recorder of the Geology section of
the Congress and has an official status in the Congress.
Further he has already contributed one Technical paper on
"Minerology" and also sent his contributions to the follow-
ing discussions:-

- (1) The role of Geology and Geography in National
planning
- (2) The teaching of Geology and Geography in Indian
Universities.

2. This time, the ensuing Indian Science Congress session
is presided over by the Hon'ble Pandit Jawaharlal Nehru and
it is desirable that the Presidency College, the ~~Brennen~~ ^{Brennen} ~~Premier~~
College in this Presidency, should send some representatives
to attend the session. He therefore requests that in addition
to permitting him to attend the Congress session as on duty
he may also be granted Travelling Allowance and Daily Allowance
for his journey and stay at New Delhi.

3. Government appear to be anxious to encourage research
and if such work has to be done by the members of the staff of
colleges, it is ~~an~~ ^{an} essential that opportunities to read their
papers at Scientific conferences should be afforded to them. I
therefore recommend that the request of Sri T.N. Muthuswami to
attend the Congress Session may be granted. As regards
Travelling Allowance I recommend that he may be granted Daily
Allowance for his stay in New Delhi and a single Railway fare
to and from Madras to New Delhi under the Madras Travelling
Allowance Rules.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

Sri T.N.Muthuswami Ayyar, Prof. of Geology,
Presy. College, Madras, is permitted to attend the Conference
of the Indian Science Congress to be held at New Delhi from
2-1-47 to 12-1-47 (both days inclusive). ~~Sri Muthuswami~~ His

a single railway fare of the class to which he is eligible

From the D.P.I., No. 9823-F1/46, dated 7-11-46.

Request for permission for a Prof. of Presy. College to attend the Indian Science Congress session at New Delhi at State expense.

The D.P.I. proposes for the reasons stated in his letter in the C.F. that Sri T.N. Muthuswami Ayyar, Prof. of Geology, Presy. College, Madras, be permitted to attend, ~~as~~ as on duty, the Conference of the Indian Science Congress to be held at New Delhi from 2-1-47 to 12-1-47 and that he be granted a single rly. fare to and fro, from Madras to New ~~Delhi~~ Delhi, and also daily allowance for his stay at New Delhi. Attention is, in this connection, invited to the papers at "I" below disposed of in 1945. There, the Dir.'s proposal was to send to Delhi at State expense another Lecturer, to attend the Conference of the Indian Math. Society, of last year. That proposal was turned down for the main reason that that case, if allowed, would form a precedent for granting similar requests from members of the staff of various colleges to attend History, Science and such other Conferences and that, of late, the principle was not ~~only to treat the officer's absence as duty.~~ to send persons at State expense in such cases. That reason continues to hold good this year also. But ~~the S.O. at~~ ^{the S.O. at}

and para 2 of the letter of the Director of Agriculture at ~~J/18~~ would show that in the early thirties there had been cases ~~of~~ of officers having attended these conferences at State expense. With refce. to the Dir. of Agriculture ~~letter~~ ^{letter of the} itself, an officer of his dept. was allowed to draw T.A. as on tour.

In view of this recent precedent, and of the very strong case made out by the D.P.I., it ~~seems that~~ ^{is for orders whether} Sri Muthuswami Ayyar may be permitted to attend the Conference ~~to~~ ^{at} New Delhi and also draw the allowances proposed. ^{of 80,} It may however be ordered that the case shall not form a precedent. Finance may see before ~~circulation.~~ circulation.

nothing exceptional in the circumstances
of this case. The concession must be
justifiable why it is proposed
to make the existing practice
of others in Government to all similar
cases.

But I think it is
time we should be distinct practice.
The former set at work for it.
The Government may be limited to
Science teachers (as distinct from Historical,
Philosophical or literature); in doubtful
cases a specific order decision may be
made. On that footing, the present proposal
may be approved.

~~There is no need for the Government to be~~
~~concerned with the matter.~~

Please see the remarks of E.P.H. Secretary
above. The point at issue is a question of policy i.e.
whether Govt. servants who are members of non-official
Associations like the Indian Science Congress should be
permitted to attend such Conferences at State expense. The
contention of the D.P.I. is that in order to encourage the
college staff in research, if opportunities should be given to
them to read their papers in such gatherings. As stated
by E.P.H. Secretary the contention has much force. ~~He~~
~~an distinction from historical, philosophical & literature~~
proposes the concession in respect of Science Congress.

Finance may agree with the remarks of E.P.H.

The connected file on the subject referred to by A.S. has been circulated to H.M. (H.T. & Food) on 4.1.47 after issue of the orders. A copy of the order is put up at (m). The concession granted to the officers of the Fisheries Dept. is to attend on duty at Govt. expense the Science Congress at Delhi. This will apparently include daily allowance also. In this case, the concession allowed to the officers of the Industries and Fisheries department - is more liberal than that granted to Mr. Hukim Chami Lya.

had requested for permission to go to Delhi to attend a meeting of the Export Committee of the Indian Institute of Science on the 8th of January 1947. As the Science Congress is going to be held in Delhi from the 2nd to the 8th of January, I requested permission to attend the Science Congress from the 2nd to 8th of January and I thank you for permitting me to do so. I am leaving for Delhi on the 28th of December as I cannot get a berth after that so as to be in time at Delhi for the Science Congress. I propose to fly back to Madras on the 9th of January.

2. As already explained to you, my reasons for going to Delhi are not only to attend the Science Congress and the meeting of the Committee of the Indian Institute of Science. I want to contact several officers of the Government of India with reference to matters connected with the Colleges. For example, I would like to see the Director General of Posts and Telegraphs and Controller of Broadcasting with regard to practical training of our telecommunication engineering students; the Director General of Disposals and Officers of the Education Department with regard to quick supply of machine tools etc., needed by the Colleges.

3. I request that formal sanction may please be accorded for my being away from the headquarters from the 28th December to the 9th of January 1947 and that I shall be considered to be on duty on these days.

absence as on duty and by granting him the Travelling Allowance as
per Madras Travelling Allowance Rules.

I am of the opinion that it is desirable in the interest of
getting our officers upto date, to give them an opportunity to attend
such conferences. I therefore recommend that Government may favourably
consider the requests of the Professor.

I have the honour to be,
Sir,
Your most obedient servant,

Copy of letter dated 3-2-1947 from V.K. Ayappan Pillai, Professor of
English, Presidency College.

The third all India Conference of English Teachers, a leaflet
of which is attached, is being held this year, in March, in the
University of Allahabad. I desire to be permitted to attend the
Conference, and I should be grateful if the Government are pleased
to reckon me as on duty during my period of absence from Madras,
and sanction to me travelling and halting allowances to which, under
the rules of Government, I might be found to be entitled.

Memo. No. 13789-A-2, d/- 12.12.63 23

Conference - The 3rd All India Conference of English Teachers, Allahabad - Deputation of Sri VK Ayappa Pillai, Prof., at State expense. 16

Ref: - From O.O. 1., No. 66 F/W, d/- 14.2.63

The O.O. 1. is requested to inform Sri VK Ayappa Pillai that his request for the grant of travelling and daily allowances from Govt. funds in connection with his attendance at the ^{Third} All India conference of English teachers to be

C.13789. From the D.P.I., No.66-F1/47, dated 14-2-1947.

Permission to Sri V.K.Ayappan Pillai, Prof., to attend at 'State expense' the English Teachers' Conference, Allahabad.

Sri V.K.Ayappan Pillai, Professor

of English, Presy. College, has requested -

(1) that he may be permitted to attend the All-India Conference of English Teachers to be held at Allahabad, in March this year, treating his absence from the college as duty; and

(2) that he may be permitted to draw T.A. for his journey to and from Allahabad, and also halting allowance admissible under the Rules.

The D.P.I. recommends the requests, saying that he is of the opinion that it is desirable, in the interests of getting the officers up-to-date, to give them opportunities to attend such Conferences.

(1) above: There is no objection to allowing this request, and it may be complied with.

(2) above: Recently, the Prof. of Geology, Presy. College, was permitted to draw a single railway fare for his journey to New Delhi and back, in connection with his attendance at the Indian Science Congress held in the beginning of this year. The Dir.'s letter containing that proposal, at p.3, and the noting thereon, on pp.4-5, of "t", may be perused.

Secretary then noted
The understanding that was recorded then was that the concession of railway fare should be limited to Science Congresses, as distinguished from Historical, Philosophical, etc. Congresses.

The English Teachers' Conference will fall under the latter category. Whether it is expected of the Govt. to get their officers up-to-date and whether the officers attend such conference, the Govt. should bear the cost, are debating points. Anyway, the consideration at "p" at "t" would not apply to this case.

For orders whether the proposal may, therefore, be negatived. Fin. may see before circulation.

held at Allahabad, cannot be complied with. The officer is, however, permitted to attend the conference at his own expense, and the period of his absence from the college will be treated as one of duty.
