Sir,

Sub: Opening of a Govt. Training College at Mangalore and Telicherry - proposals - submitted.

57689

In connection with the Part II Scheme for 1947-48 I have the honour to submit for the consideration of Government proposals for the opening of 2 Govt. Training Colleges, one at Mangalore and the other at Telicherry, from July 1947.

2. Under the present rules, the recognised media of instruction in all non-language subjects in secondary schools is the regional language. Consequently Tamil has become the medium of instruction in the Model High School attached to the Teachers' College, Saidapet. Tamil has been introduced as the medium in Form IV in the current year and from 1948-49 the entire High School department will be having Tamil as the medium. With the introduction of Tamil as the medium in the Model High School, the Teachers' College, Saidapet will serve solely for the Tamil districts and it will not be possible to admit Kannada and Malayalam students in the Teachers' College as these students will not get teaching practice in Kannada and Malayalam. It is therefore essential to open training colleges for the benefit of the Kannada and Malayalam students in Mangalore and Tellicherry from July 1947. It is proposed to atta the training sections to the existing Arts Colleges in the two places. The existing accommodation in the two colleges will not be sufficient, but till permanent buildings are constructed, it is proposed to construct temporary sheds if necessary.

3. For the present the following optional subjects will be provided in each of the colleges:

(a) English
(b) Physical Science
(c) Primary Education
(d) Language (Kannada or Malayalam)

More subjects can be opened later when the colleges stabilise themselves.

4. The following staff will be required:-

MANGALORE	TELLICHERRY.
1. Lecturer (to teach theory of Education)	1 Lecturer (to teach theory of Education)
4 Assistant Lecturers	4 Assistant Lecturers
1 Clerk	1 Clerk
4 Peons	4 Peons
	1 Drawing Master
	1 Manual Training Instructor.

It will be necessary to appoint an additional Drawingmaster, Manual Training Instructor and Laboratory attender for the Mangalore College as the existing staff may not be able to cope up with the additional work. Proposals for the employment of additional staff for Drawing etc. will be submitted later.

P.T.O.

With the opening of the new training college at Mangalore the work and responsibility of the Principal, Govt. College, Mangalore will be increased and I request that a duty allowance of Rs. 50/- per mense-m may be sanctioned for the Principal.

5. The financial effect of the proposals will be as shown below:-

In the Post-War Plan, increase of Arts Colleges and L.T. Colleges is contemplated only in relation to the education of women. The general policy ~~as~~ of Govt. in regard to collegiate education as laid down in the Press Communique No. 16 d. 13-7-45 is that there is no need or justification for them to start, or to give special encouragement to the starting of institutions for University education. Recently the question of revising this policy was considered and dropped for the present. ~~Besides, the Director's proposals do not seem to be acceptable with ref. to Finance Dept. U.O. Note No. 5430 S(B)-1 d. 7-10-46.~~ However, in view of the fresh difficulty arising out of the introduction of regional language which has been fully explained by the Director in para 2 of his letter on p.1 c.f., it is for consideration whether the proposals may be accepted. The number of students in the B.T. course in the Teachers' College Saidapet, whose mother tongue is Malayalam or Kanarese is as noted in the margin*. Finance may see for remarks before circulation.

(A) As [illegible] of the LT colleges for men were [illegible] only left open.

(B) This [illegible] with reference mainly to non-professional instruction. The LT course is a professional course. It is open to us to justify a case for increased provision here on its own merits.

May be accepted

Part II Scheme for 1947-8

For the reasons set out in para 2 in p.1 c.f. and the E&PH Secretary's marginal note overleaf, it is proposed to open two Training Colleges for men to be attached to the Govt Arts Colleges at Mangalore & Tellicherry. The proposal involves an extra recurring cost of Rs 36,000/- p.a. and Rs 14,000/- non-recurring, exclusive of cost of temporary sheds to be erected ~~for~~ to provide the necessary accommodation.

c.f. p 2 c.f.

2/ It is no doubt urged that the L.T. training for men is a professional course & that it is open to the Govt to decide the question on its merits, especially as it will not be possible to admit Malayalam & Kannada students in the Teachers College, Saidapet in future. Although this may represent the correct position, it is submitted that, owing to Prohibition, G.M.F. Campaign, introduction of costly postwar schemes, revision of pay scales & other cognate questions relating to services, the Govt are faced with the prospect of deficit and instructions have been issued in Fin U.O. note 54303 (B)-1 d 9.10.46 restricting Part II schemes for 1947-8 to those that are related to postwar schemes or G.M.F. campaigns or are absolutely essential for the proper running of the Depts concerned or are fully remunerative. It does not appear that the present proposal satisfies any of the above criteria and Finance may advise that it may be deferred for the present. If necessary, the managements of private Colleges in the two districts may be induced to ~~open~~ make provision for L.T. training, with subsidy from Govt.

See E&PH Secy's note ante

(A)

16/11

B

If, however, E&PH press their proposal to ensure an uninterrupted supply of L.T. trained men (in Malayalam & Kannada) to serve the needs of Secondary education in the two districts, it seems unnecessary to open two training colleges, one in each Dt — for the purpose, as the demand for such men will be confined to very limited areas ~~[illegible]~~. The two districts adjoin each ~~[illegible]~~ other and it should not at all be difficult to run the L.T. course in one of the centres for men of both the districts with adequate

provision for teaching in both the languages, viz Malayalam and Kannada. This will be very economical and serve the object in view. E&PH may be requested to consider this suggestion in consultation with the D.P.I.

Part II Scheme -1947-48

The proposal relates to the opening of two Govt. Training Colleges, one at Mangalore and the other at Tellicherry, attached to the Govt. colleges in these two places and for ~~the~~ employment of staff as detailed in paragraph 4 on page 1 c.f. The Finance Department advise that the proposal may be deferred for the reasons at B on page 2 ante. That department also state that if the proposal is to be pressed, the question of opening a single college with provision for instructions in both Malayalam and ~~Kanada~~ Kannada may be considered in consultation with the D.P.I.

–do–

It is doubtful whether any appreciable economy in expenditure can be achieved if only one college is opened to provide for both the languages as two sets of staff qualified in each of the languages, namely ~~Kanada~~ Kannada and Malayalam will have to be employed. Further there will be difficulty about practicing sections with pupils knowing both the languages. // For orders whether the Director of Public Instruction should be consulted as suggested by Finance or whether the proposal may be pressed.

A

The proposal may be pressed.

2. Recently, Govt. have made

para 1 on (V)/26 c.f. arrangements with the Cochin State to train 10 British Malabar students every year in the Teachers' Training College at Trichur. It has also

para 3 on (V)/27 c.f. been decided that Kannada B.T.s be continued to be trained in the Teachers' College, Saidapet. The authorities of the Christian College High School have agreed to open a Kannada section in the school

ibid and the intention is that the Kannada B.T.s of the Teachers' College should have their teaching practice in the above Kannada section. Govt. have decided to give a full grant to the School authorities for opening the Kannada section.

3. In view of the arrangements
