The discrepancy is explained below:-

Year.	No.furnished by the women specialist in Physical Edn.	No.furnished by the Principal, Y.M.C.A.College.	Remarks for variation of the figures.
1941-42.	31	32	One student Miss Mary Rajam Joseph, who dis-continued in the middle of the course has been included in the figures of the Principal. Hence, the number of 31 as fur-nished by this office is correct.
1942-43.	15	16	Only 15 students completed the course and not 16 as furnished by the Principal.
1943-44.	31	33	Only 31 completed the course and not 33.
1944-45.	32	33	Only 32 completed the course- one student though she remit-ted the examination fees, failed to attend the exami-nation due to sickness.
1945-46.	36	36	No difference. The figure 36 is correct.

Please see the D.P.I.'s reply on page 5 of.

The answers furnished by him ^{are} based on two letters an interpretation of the question. It is likely that the Honble Member might have used the word "maintain" as as to cover ^{also} grants ~~also~~ paid by Govt. In this view the answers require amplification. The particulars about the Y. M. C. A. College of Physical Education and the Physical Trg. class for women may be called for.
