From

C.K. Vijayaraghavan Esq., I.C.S.,
Commissioner of Labour, Madras.

To

The Secretary to Government,
Education and Public Health Department, Madras.

Sir,

Labour Department-Scholarship to Harijan pupils studying in the
S.S.L.C. Class during 1945-46.

Ref:- Govt. Memo No. 40147-C1/46 dated 2-8-46.

Last year (1945-46) 284 pupils of the eligible communities (208 Hindus
and 76 Converts) studying in the sixth form in the various high schools in the
Presidency were granted scholarships by this Department. Information as to how
many of them appeared for the S.S.L.C. Public Examination held in March 46 is
not available in this office.

The following rules are generally observed in granting scholarships:-

1. The pupil should apply in the prescribed form.
2. The application should reach this office on or before 20th July through
the heads of institutions concerned.
3. The applicant should belong to any one of the communities eligible for
help by the Labour Department (Vide list attached)
4. The applicant should not have exceeded 19 years of age on the first day
of July (Age limit will be relaxed in deserving cases)

Scholarships for Post-graduate studies in M.A. or M.Sc. courses.

Three non-residential or residential scholarships will be awarded to deserving students for post-graduate studies in M.A. or M.Sc. courses. The rates of the scholarships will be based on actual requirements for education including tuition fees, cost of books, etc., in each case, and in no case will exceed Rs. 200 per annum in the case of non-residential scholarships. In the case of residential scholarships, an extra amount for boarding and lodging charges calculated at a rate not exceeding Rs. 25 per mensem will be sanctioned.

Madras Seva Sadan.

Ten residential scholarships of the value of Rs. 150 each per annum will be awarded to pupils of the Madras Seva Sadan to cover expenditure on books, school fees, etc., and for boarding charges for ten months' stay in the hostel attached to the school.

13. The "No-fee" rate scholarships are intended to cover, in the case of non-residential scholarships, the cost of books, etc., required for the pupils' study and the special fees which they have to pay to the institution and in the case of residential scholarships, they include the cost of the pupils' boarding also.

14. The non-residential scholarships are payable in two instalments, the first instalment representing three-fourths of the annual value in July or as soon as possible after the scholarship is sanctioned and the second instalment representing the remaining fourth in January 1947.

15. The residential scholarships are payable in three instalments in July, October and January, each instalment representing one-third of the annual value.

16. Heads of institutions are requested to prefer their claims for sanctioned scholarships promptly without allowing them to accumulate. Also they are requested to cash the bills soon after they are received back countersigned and disburse the amounts to the pupils concerned on proper acquittance in accordance with the rules on the subject. They should, in any case, all be drawn before the end of the official year, that is, the 31st March 1947, and any amount not so drawn cannot be drawn after 31st March 1947 without a fresh sanction from the Commissioner of Labour.

17. All scholarships, residential and non-residential, shall run from the beginning of the month in which the holder joins a class and should cease to be drawn if he discontinues study. A proportionate reduction should accordingly be made wherever necessary.

18. A reduction should be made in the case of residential scholarships according to the period the pupil is actually residing in the hostel, etc., away from home.

19. All scholarships are liable to forfeiture for misconduct, irregularity or failure to make due progress or secure promotion. Heads of institutions may grant leave without diminution or loss of scholarship for a period not exceeding one month, to scholarship-holders who are absent in consequence of illness, but if the leave exceeds this period, no scholarship is to be drawn and disbursed for this excess period. Casual leave without diminution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year provided such leave does not immediately precede or succeed a series of gazetted holidays as the Easter and Michaelmas. Heads of institutions should report to the Commissioner of Labour all cases of grant of leave other than casual leave to scholarship-holders. Such reports should be made also to the District Labour Officer if there is one for the district. In the case of non-residential scholarships which do not include charges for boarding, no deduction is ordinarily made from those who hold scholarships at no-fee rates for short periods of absence as the no-fee rates are intended for purchase of books, etc., required for their study. Where the periods of absence are for more than a month and the absence is due to avoidable circumstances not beyond the control of the scholarship-holder, a proportionate deduction may be made as a punishment in the amount of scholarship otherwise due.

20. The Commissioner of Labour has powers to grant scholarships only to those who are not in receipt of similar scholarships from the Education or other Departments of Government. Therefore no person receiving a scholarship from the Labour Department will be permitted to hold any other kind of scholarship from the same Labour Department or any scholarship or fee concession from any other Department of Government or other source. If a Labour scholarship-holder has to pay fees at rates less than those included in the annual value of the Labour scholarship or has been

given a fee remission or scholarship by the Education Department or by the school management or by other source, such cases should be reported to the Commissioner of Labour for revision of the rates of scholarship sanctioned.

21. As soon as the scholarship amounts due on behalf of the pupils in an institution are either drawn from the treasuries or have been remitted to them by the Commissioner of Labour or the District Labour Officer as the case may be, the heads of the institutions are requested to pay the amounts to the pupils concerned taking their acquittance in the prescribed forms, copies of which can be had from the Commissioner of Labour and send their acquittances to the Commissioner of Labour or the District Labour Officer as the case may be. The heads of the institutions are expected to recover from the pupils, immediately the scholarships are disbursed, the school fees due and see that the balance left over in the hands of the pupils is properly utilized by them on the purchase of books, etc., required for the year and in the case of residential scholarships, on their boarding.

22. The heads of institutions should report at once to this office when any scholarship holder discontinues his studies or his name is struck off the rolls or where the scholarship has to be cancelled for any other reason, so that the scholarship may be cancelled by this office without delay.
