Sub: Madras Educational Service - Sri M. Manjunath Mulki, Lecturer in Physics - Application for leave preparatory to retirement - Submitted with remarks.

REF: Application dated 21-10-1946 from Sri M. Manjunath Mulki, Lecturer in Physics, Govt. Victoria College and endorsement Rec. No. 548 A/46, dated 21-10-1946 of the Principal, Govt. Victoria College, Palghat.

submitted.

2. Sri M. Manjunath Mulki Lecturer in Physics, Government Victoria College, Palghat, is also the Deputy warden of the Main Hostel attached to the College. The Principal reports that if Sri Manjunath Mulki were to be granted the leave applied for a new Deputy Warden who will take his place will find it impossible to carry on under the present conditions. It may be submitted that the smooth running of the Students' Hostel in these difficult days is as much in the interests of the College also as in the interest of the Hostel. It is very desirable to retain the services of Sri M. Manjunath Mulki till the end of the current academic year, especially when the Principal states that a change over in the middle of the year would be simply unfortunate so far as hostel administration is concerned. Moreover, as Sri V. N. Viswanatha Ayyar who was expected to return from leave has also been recommended by the Medical Board for a further extension of leave for 2 more months from 11-11-1946, it will involve in a large number of transfers should Sri M. Manjunath Mulki were to be granted the leave applied for now. It is, therefore, recommended that the leave applied for by Sri M. Manjunath Mulki may be refused by Government in the public interests.

3. Sri M. Manjunath Mulki is due to retire from service with effect from 11-3-1947. As it will be the period of University Examinations changes in the staff is not desirable. In this connection attention of Government is invited to sub-para (ii) of Para II of the letter No. A.3378 Dated 3rd/5th September, 1945 from the Vice-Chancellor of the Madras University, addressed to Government wherein he has suggested certain remedies for avoiding transfers in the midst of an academic year. In this office letter to Government Cl. No. 41/44-3, dated 21-11-1945 the following remarks have been offered on the above suggestion:-

"The first of these, viz., to retain a member of the staff till the end of the academic year even though normally he or she would have retired earlier, has in suitable cases been recommended to Government by me--vide the case of Miss. Myres. If, however, the period involved is more than three months it is not possible to consider this course....."

Having regard to the above remarks of the case of Sri M. Manjunath Mulki is a fit one for the grant of extension of service till the end of the academic year. It is, therefore, recommended that the Government may be pleased to grant an extension of service for 23 days with effect from 11-3-1947 i.e. till 2-4-1947, the date of closing of the College for the summer vacation.

Copy of application dated 21-10-1946 from Sri M. Manjunath Mulki, Lecturer in Physics, Govt. Victoria College, Palghat and Andt. No. No. 548 A/46 dated 21-10-46 of the Principal.

I am due to retire on 11th March 1947. I shall be grateful if you could grant me leave on average salary from 1st December 1946 (subject to eligibility) preparatory to retirement. I want this leave in order to make suitable arrangements for setting down after retirement.

Endt. Submitted to the Director of Public Instruction. 2. Mr. Manjunath, in addition to his duties as lecturer, is in charge generally of all the sports activities of the College and he is also the Deputy Warden of the Main Hostel which caters for over 170 students. while a new lecturer may be able to do the Lecturing part of his work a new deputy warden will find it almost impossible to carry on under the present conditions. The difficulties of securing this are so great today and if Mulki has succeeded in running the hostel smoothly it is because of his long experience of Palghat. A change over in the middle of the year will be simply unfortunate so far hostel administration is concerned. I can therefore only recommend that leave may be refused and I request further that though he is due to retire on Marh 11, 1946, he may be retained till the closing of the college on 2nd April 1947. The D.P.I. is requested to inform Sri M. Manjunath Mulki that the leave prep. to retirement applied for by him cannot be granted now, with due regard to the public interest.

2. The Dir. is informed that the Govt. agree to the retention of Sri Mulki after his retirement, up to the date of closing of the Govt. He is requested to ascertain the officer's willingness to accept "re-employment" as distinguished from "extension of service" - and send a very early report to Govt.

C.No. 9410. From the D.P.I., No. 10047-C-1/46, dated 12-11-46.

M.E.S. - Sri M. Munjunath Mulki, Lecturer in Physics -
Proposal to re-employ and refused leave prep. to
retirement.

Sri M. Munjunath Mulki, Lecturer in Physics,
Govt. Vic. College, Palghat, is due to retire on 11-3-1947. He is
the Dy. Warden of the "main hostel" attached to the college.
He has applied for leave from 1-12-46, prep. to retirement
(subject to eligibility). The D.P.I. recommends -

(1) that the leave applied for may be
refused; and

(2) that from 11-3-47 to 1-4-47 the
Lecturer may be granted an extension of service.

The reasons given by the Dir. in support
of ^{Ris} ~~the~~ recommendations are:

(1) that the smooth running of the students' hostel in these difficult days is as much in the interests of the college as also in the interests of the hostel and that, if Sri Mulki ~~is~~ ^{was} to be granted the leave, a new Dy. Warden will find it almost impossible to carry on under the present conditions;

(2) that a large no. of transfers have to be made, since also another Lecturer (Sri Viswanatha Ayyar) has been recommended extension of medical leave; and

(3) that the V.C. of the Madras Univ. impressed upon Govt. last year the necessity to avoid transfers of Lecturers in the middle of an academic year and suggested retention of members of staff, who ~~were~~ would retire earlier, till the end of the year.

(1) above:

2. / Mr. Mulki ~~would have been~~ ^{shd. be} getting some honorarium for the work. Whether he ^{will be} willing to continue till the close of the academic year as Dy. Warden, during leave prep. to retirement, if it is granted, has not been specifically ascertained and reported. It may be true that an officer who succeeds Mr. Mulki in the Dy. Wardenship would not be able to carry on so "smoothly". But, the view that a change-over would lead to an almost break-down cannot, it seems, be endorsed. ~~If it is real,~~ ^{if it is real,} The same difficulty will arise from the start of the next year too.

(2) above: How ~~xxx~~ "a large no. of transfers" will be necy. has not been explained by the Dir. The posting of an approved candidate (Asst. Lecturer) to Mr. Mulki's place and, to the Asst. Lecturer's vacancy, the Promo

22.11.66 1st The intention of H.M. (Edn) is
presumably to retire Sri M.M. Mulker and

to reemploy him up to 31.3.47. As Mr. Mulki has now applied for the leave preparatory to retirement w.e.f 1.12.46, the leave applied for may be refused under 7-R 86(a) in which case it can be sanctioned after the ~~termination of~~ ^{reemployment} ~~superannuation~~ under 7-R 86(c). H.P.M. may see

Edn. and P.H. Dept. (A).

The D.P.I.'s recommendation in this file is to refuse, in the public interest, leave from 1-12-46 prep. to retirement, on 11-3-47, applied for by Sri M.M. Mulki, Lecturer, Govt. Victoria College, Palghat, and also to retain him ^{in service} after retirement, till 2-4-47 (the date of closing of the college for summer vacation), by granting him an 'extension of service'. In their note on on p.2 ante, this Dept. stated that 'extensions of services' were not usually granted and that, if it was considered that the reasons given by the D.P.I. ^{were} would be accepted as sufficient justification to refuse the leave and to 're-employ' the officer, the officer's ^{willingness} ~~sanction~~ to 'take up' 're-employment', as distinguished from 'extension of service' will be ascertained. H.M. (Edn.) has ^{p.3 ante} ~~minuted~~ that the officer may be re-employed till the close of the college year, apparently in addn. to refusing the leave. Public and Finance have asked for circulation to H.P.M.

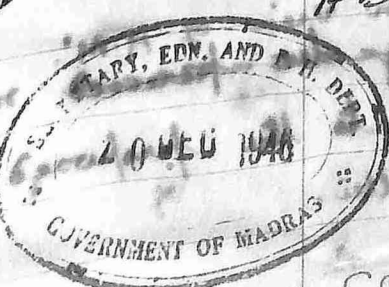

The case may therefore now be circd. to H.P.M. and
