GOVERNMENT OF INDIA.
Office of the Director General of Civil Aviation in India.

No. E(C)-11-11/46.

Dated New Delhi, the 28th June 1946.

To

F/o A.R. Ramanathan,
Royal Indian Air Force,
Technical Branch,
Signal/Radar Section.

You have been selected for temporary appointment as Senior Technical Officer in the Civil Aviation Directorate in the scale of Rs.550-30-850. Your initial pay in the scale will however be fixed during the period of temporary appointment at a suitable stage so that your pay plus the war allowance to which you would be entitled will give you approximately the total emoluments, which you are at present receiving in the Royal Air Force (subject to a maximum of Rs.700/-, plus a War Allowance of 17½% of pay if married, and 7½% of pay if unmarried). In order to enable us to issue formal orders in respect of the pay, will you please intimate what emoluments you are at present receiving in the Royal Air Force giving details of the pay and the various allowances which you are receiving. Your appointment will be for a period of 6 months in the first instance, without prejudice to the ultimate decision of the Federal Public Service Commission, who are responsible for recruitment to this post and to whom you should apply when the post is advertised. The other terms in regard to your appointment will be as follows:--

1. Termination of appointment: Your appointment may be terminated at one month's notice.
2. Leave: In accordance with the Revised Leave Rules.
3. Travelling Allowance: In accordance with Supplementary Rules. No travelling allowance will however be admissible for your joining the appointment.
4. Medical attendance: Free medical attendance for self and family and subject to any rules and regulations that may be issued by Government from time to time.
5. Quarter: No free quarter or allowance in lieu.
6. War Allowance: In accordance with the orders of the Government of India in force from time to time.
7. Place of posting: You should report for duty to the Director of Communications, Civil Aviation Directorate, Talkatora Road, New Delhi within two weeks of your obtaining release in the Royal Air Force. The date on which you have been released from the Air Force and the date by which you expect to join the appointment may please be communicated to this office at an early date.

M.E.S. - Loan of the services of Sri A.R.Ramanathan
Junior Instructor in Elec.Engg. to the G. of I.

Sri A.R.Ramanathan is a permanent Laby.Asst.
in the Engg. College, Guindy, on Rs 155 in the scale of
Rs.100-10/2-110-15/2-200. He has been in the R.I.A.F. as
Flying Officer. Without prejudice to his duties in the Defence
Service, he has been apptd. as offg. Jr.Instructor in the
College on Rs.200-420.

2. The Air Hd.Qrs. reports that it is willing
now to release Sri Ramanathan from the R.I.A.F. Meantime,
the Civil Aviation Directorate of the G. of I. have offered him
the post of Senior Technical Officer on Rs.550-30-850, and the
Air.Hdqr. wants to know whether this Govt. are willing to
lend the officer's services to the Central Govt. for that post.
As Senior Tech. Officer, Sri Ramanathan will be receiving
larger emoluments than what he wd. get if he reverts to the
Guindy College. It is stated that his pay as Senior Tech.
Officer would be equivalent to the emoluments he is drawing in
the R.I.A.F. (subject to a max. of Rs.700 plus dearness allee.)

3. From the academic year 1945-46 two new
courses have been opened in the Engg.College, Guindy - (1)
Elec.Communications Engg., and (2) Highway Engg. The/demand
for highly trained technical men to staff the Engg.College of
the Province has already been anticipated and, with a view to
meeting it, Govt. servants and private candidates are being
deputed abroad for higher studies. Sri Ramanathan is one such
Govt. servant proposed to be sent/for studies in "Radio Communi-
cations Engg.". If he is willing to be deputed on the terms
offered by Govt., he is likely to leave India before the
end of 1946-47. The D.P.I. was recently asked to ascertain
his willingness and, if neccy., move for his release from the
Air Force. The Dir. has re-reported that he has not heard
so far from Sri Ramanathan.

4. It may be pointed out that many posts
Engg. Colleges of the Province are vacant for want of

Separate file

officers. The post of Jr. Instructor in the Guindy College itself has been advertised for direct recruitment on a tempy. basis for want of qualified men in service. For the Coimbatore Engg. College and the newly-opened Cocanada Engg. College, the services of experienced men will be reqd. It is likely that if Sri Ramanathan continues in service under this Govt. he will be promoted ^{inadequately} as Instructor (under the emergency provns.) on Rs. 200-700.

5. In the circumstances, it is for orders whether the services of the officer can be spared to the G. of I., consistent with the interests of the ^{teaching process in the Engineering College} Engg. Service of the Province. The D.P.I. has stated that he has no objn. to the lending of the officer's services. It is not clear whether he has adequately envisaged the needs of the colleges before making this recommendation. It is for consideration whether the Dir. may be consulted again, u.o. ^{not} If the consultation is/considered ~~desirable~~ necessary and if Sri Ramanathan's services can be lent, the case may be sent to Finance Dept. u.o. for remarks before circulation.

Office of D.P.I.,
Madras, 16-7-1946.

F/O Ramanathan has just written to say that he is unable to accept the offer of deputation overseas under the conditions offered by Government. He says that he has already gone overseas in 1944 and has had special training in Ultra High frequency techniques in Radio Communication Engineering.

I may say

I may say that I recommended only the loaning of the services of F/O Ramanathan and not his complete release from the department. The Government of Madras are at liberty to recall him at any time when it is felt that his services cannot be spared. It is the intention of Government to institute courses in Aeronautical and Marine Engineering in the Vizagapatam College of Engineering. F/O Ramanathan's experience as a Senior Technical Officer in the Civil Aviation Department is likely to be of much value when he reverts to the Education department sometime later. As stated in paragraph 2 of the Secretariat u.o. note if Sri Ramanathan is to revert to the Guindy College and is even appointed as Instructor, he can only draw Rs. 200/- as against Rs. 700 which he has been offered as Senior Technical Officer.

Under these circumstances, it is for Government to decide finally whether they should compel Sri Ramanathan to come back to the Madras Government service immediately.

D. P. I.

Edn. and P.H. Dept. (A).

Please see the u.o. note on page 1-2 ante. In view of what is stated above by the D.P.I. and especially of "X" above, the services of Sri A. R. Ramanathan may be lent to the Civil Aviation Directorate (of the G. of I.) for appt. as Senior Tech.

Officer. The appointment will last for a period of six months in the first instance. If the Federal Public Service Commission selects Sri Ramanathan, his appt. will continue for a sufficiently long period - probably will even be a permanent appointment. This Govt. will require his services after two years from now - i.e., from the beginning of the third year in the Engg. College, Vizagapatam, when specialisation in study of subjects will commence there. Therefore, the period for which the officer's services may be lent may be fixed as one year, for the present.

2. As regards "Y" on p. 4 ante, the D.P.I. may be asked whether he can suggest any other suitable officer to be sent overseas for higher studies in Radio Communication.
