Sub:- Government College for Muslim Women, Madras - Opening of new courses of study.

Ref:- From the D.P.I., No. 4855-K.2/46 dated 18-9-46.

In G.O. No. 831, Education, dated 17-4-46, Government sanctioned the opening of a College for Muslim women in the City. The courses of study provided in the College are as follows:-

- Intermediate: Part I - English.
Part II - Arabic, Persian Urdu, Tamil and Malayalam.
Part III - 1. Math., Physics and Chemistry.
2. Physics, Chemistry and Natural Science.
3. Ancient History, Modern History and Islamic History or Urdu (Advanced course).
- B.A. : Part I - English.
Part II - Arabic, Persian, Urdu, Tamil and Malayalam.
Part III - Group IVb: Economics and History.
Group IVa: Islamic History and Economics.

In a D.O. letter dated 5-4-46 ^{Dr. Sargent} pointed out that it would be desirable, while keeping in mind the object for which the College was to be established, to enlarge the curriculum so that non-Muslim girls might be able to choose the sort of course which they would probably prefer. ^{and} ~~a reply to that as~~ on pages 123 to 124 ^{CF} of G.O. No. 831, Edn., dated 17-4-46 was sent. ^{Dr. Sargent} again expressed this feeling that the proposals relating to the College were on somewhat narrow lines and he suggested:

- (1) that an attractive course of a general character on up-to-date lines which is likely to produce the kind of women, whether Muslim or otherwise, whom India is likely to want may be provided in the College ^{and} that special facilities by way of stipends and scholarships might be provided for Muslim women. // Attention is invited to notes, in this connection, on pages 2 to 4 of G.O. No. 1334, Education, dated 8-7-46. H.M. (Education) considered, ~~it is submitted~~, that in the History Group it was necessary to provide for other combinations of subjects so that non-Muslims also might join in sufficient numbers.

A reply was sent to Dr. Sargent as on page 9 c.f. of the G.O. and the Dr. of Public Instruction was asked to propose suitable subjects and to ascertain from the University its willingness to grant affiliation in those subjects.

The Director has now proposed that provision may be made for Telugu in Part II of the Intermediate and for Urdu in Part III of the B.A. course. The extra cost involved in the proposal is Rs.900/-.

In another connection the Director ^{has} reported that the number of students admitted into the College this year ~~are~~ as reported are as follows:-

	Class I.	Class III.
Muslims.	16	2
Non-Muslims.	61	2

The Hon'ble Minister has asked the Principals of the Muslim College for Women and of the Government Muhammadan College to see him to discuss matters connected with the Colleges. Further consideration of the proposals of the Director may await the discussion ^{with} the Principals. File may be circulated to H.M. (Education).

The proposal of the D.P.I. may be approved.

The Principal has not yet met me. One may be asked to meet me one of the days when I am in the city.

Part II scheme for 1947-8

The Govt. College for Muslim Women, Madras is at present affiliated in the following subjects for the Inter and B.A Courses

Intermediate : Part I - English

Part II - Arabic, Persian, Urdu, Tamil and Malayalam

Part III - 1. Maths, Physics & Chemistry

2. Physics, Chemistry & Natural Science

or Urdu (Advanced Course)

B.A. Part I - English

Part II - Arabic, Persian, Urdu, Tamil and Malayalam

The Director of Public Instruction has now proposed that the College may take in the following subjects from 1.7.47:

(b) Urdu under Part III of the B.A Course.

Under the laws of the University, it should be addressed for affiliation of new subjects before 31.10.46 if the courses are to be opened from the next academic year. Apparently the D.P.I. has applied for the affiliation of the above subjects.

The Director of Public Instruction has explained that Madras being a multi-lingual area, the College will attract a large number of Telugu students into the Intermediate classes, next year. It is also stated that, in a Muslim institution, there will be need for the provision of 'Urdu'

up in B.A. and that this step will facilitate admission of more Muslim students. So as the opening of 'Urdu' under Part III B.A. classes is concerned, no extra staff reported to be needed as the work can be managed by the existing staff in languages. The proposals of the D.P. I involve only the employment of a Telugu Pandit on Rs 65-80. The extra cost involved will be Rs 1.108 p.a. The proposal may be sanctioned for 1 year.

3. In the circumstances noted in para 2 above, the proposals of the D.P. I may be agreed to in this depth as one that is necessary for the proper running of the Administration. Vide the criteria fixed in Finance no note no 54495 B.C. of 9.10.46. E.P.H. will, no doubt, put up the draft Part II note in due course. The post of Telugu Pandit may be in the first instance on a temporary basis for 1 year.

4. The case may be returned to E.P.H.
