Department.

Sir,

In connection with the Part II Scheme for 1947-48 I have the honour to submit herewith a proposal for the conversion of the post of Part time Lecturer in Music in the Lady Willingdon Training College, Madras into a full time post. In my letter R.C.No. 566 A/43, dated 27th September 1943, I submitted a proposal to introduce Music as an optional subject for the B.T. Course in the college but it was not accepted by Government - Vide their Order No. 447, Edn., dated 21-3-44.

2. The Principal, Lady Willingdon Training College has reported that it is very desirable to cultivate the musical taste of all pupils in the upper classes of the school and to develop the musical activities at this stage so as to provide an artistic outlet to balance the extreme concentration on purely intellectual subjects. This could be done by encouraging the musical abilities of graduate teachers at least in every school educated in musical theory and in musical appreciation who could do a great deal to develop the musical talent in schools. Apart from this, the Principal considers that it is very desirable to provide music as an optional subject for the B.T. course

So that there should be a few women teachers

course as a model Training College for women should train the teachers in the methods of teaching music. The full time Music Assistant Lecturer will have 6½ hours of work in the B.T. class and in addition she will work for 6 hours in each of the training and High school classes. I support the proposal of the Principal and request that Government may be pleased to sanction the opening of music as an optional subject for the B.T. Course and to convert the existing post of part time Lecturer in Music into an Assistant Lecturer's post on Rs 100 - 200.

3. The extra cost in 1947-48 will be Rs 200/- plus an affiliation fee of Rs. 100/-

C.Nº 55474A/46, From the DPI, ~~Re~~ Nº 6551 K/46 of 17/9-46

In 1929, the Govt sanctioned the employment, with effect from 1-7-29, a part-time Music Teacher on Rs 75 a month in the L.M.T. College, Madras for giving instruction in Indian music to the students under training in the Secondary Training Section and the pupils in the model Section of the College. In 1943, the Director submitted a proposal for introducing music as an optional subject for the B.T. course in the College but it was not accepted by Govt. For the reasons stated in his letter on pp 1-2 cf. the Director now requests that music may be introduced as an optional subject for the B.T. students in the College and that the existing post of part-time lecturer in Music may be converted into an Asst Lecturer's post on Rs 100-200. The proposals are submitted for consideration in connection with the Part II Scheme for 1947-48. In the ordinary course, the proposals seem acceptable. But in view of the instructions in Finance U.O. Note No. 54303(Bc)-1 of 9-10-46, it is ~~for~~ ^{for} consideration whether the proposals may be deferred for the present and the DPT asked to bring ~~them~~ ^{them} forward in connection with them forward for consideration in connection with the Part II Scheme for 1948-49.

I understand that there is a part-time music teacher in the Queen Mary's College also and that the work in the Lady Willingdon Training College does not warrant the appointment of a full-time music instructor. In these circumstances these two can be combined into one and as they are in adjacent compound, I believe, there will not be difficulty in arranging a workable time-table also. The D.P.I. may be asked to examine the matter from this point of view and report.
