Application of F/o K.K. Ramamurti for the issue of
a certificate of nationality and age.

Sir,

I have the honour to state that I have
submitted an application to the Federal Public
Services Commission for appointment to the Indian
Civil Service.

2. As per regulations a birth certificate or a
certificate of baptism stating the date of birth
should be furnished. As I am unable to furnish
a birth certificate or a certificate of baptism
I have to furnish instead a certificate of
nationality and age issued in accordance with
the instructions contained in Govt. of India Home
department notification no. 35/10/39 dated 22nd Feb.
1939 and signed, as I am resident in British
India, by a Secretary to the Government of the province
or commissioner of the division in which my
family lives.

3. As I have lost my parents, my family

[P.T.O.]

family is that of my brother Sri. K.K. Swaminatha Iyer who is residing at 105, Talap, Cannanore as a teacher in the Municipal High School, Cannanore. I am, therefore, submitting this application to you for the issue of a certificate of nationality and age.

4. My date of birth is 5th October 1918. The only proof of my age is the date of birth entered in my Secondary School Leaving Certificate. I am ~~at~~ enclosing herewith a copy of the relevant entries in my Secondary School Leaving Certificate.

5. As for my nationality, I am born of true Indian parents. My father (K.S. Krishna Iyer) was born in British India but, his parents being resident in Cochin State owning properties there, he became a subject of Cochin State and he continued to be a subject of Cochin State till his death in 1922. His address was: K.S. Krishna Iyer, Landholder, Kadavallur Village, CHALISSERI P.O., (Cochin State). M
My mother was a British subject and I was born at Tritala (S. Malabar), my mother's village.

I am enclosing herewith a copy of a certificate obtained from the Tahsildar, Cannanore in connection with my appointment in the India Meteorological Service before joining the R.I.A.F. p. 4

6. My family left Cochin State 22 years ago, after my father's death, and as we have no property interests there now and as we ~~are now~~ have been residing in British India for the past

17 years at Cannanore, I have stated in my application for I.C.S. that I am a Domiciled British Subject. (4)

7. I have given above all the facts known to me and I request you to issue the necessary certificate and forward it to me at an early date.

Thanking you,

720 Forecast Centre,

I have the honour to be,

Sir,

Your Obedient Servant

Certificate of age and Nationality - Indian Civil Service
Examination - Application of Sri K.K. Ramamurti -
Government Endt. No. 59/589 C/45-1 dated 4--1--1946.

The candidate's brother appeared before me on 17.1.1946
and produced the following documents.

- 14/10/46
1/13/46
(1) Candidate's horoscope.
(2) Certificate from the Principal of Government Brennen
College, Tellicherry.

--both showing date of birth as 5th October, 1918. A true extract
from the horoscope and the certificate in original are enclosed.

2. No other documents such as family books or Tradesman's account books
have been produced for the reason that none of them contain any evidence

regarding the age of the candidate.

The Matriculation certificate also has not been produced. The candidate has not in his possession such a certificate; he appeared for the School Final Examination and not the Matriculation Examination. In place of the matriculation certificate the certificate from the Principal of Government Brennen College, Tellicherry, has however been produced. The S.S.L.C. Book of the candidate is said to be with the candidate. An uncertified extract of it is found with the application.

3. The candidate's brother tells me that he has not been able to obtain a certified extract from the Village Birth Register as the necessary entries could not be traced. The candidate was born in Trithala, Ponnani taluk, South Malabar.

4. The application received with the Government endorsement quoted above with enclosures is returned.
