The budget estimate for 1945-46 as approved by Government in their order No. Ms. 422 Edn dated 20-3-45 was expected to open with a balance of Rs.1237/- But it actually opened with a balance of Rs.2797/- This is due to strict economy in expenditure and receipt of Government grant for the payment of dearness allowance to the staff in 1944-45 sanctioned in G.O.No. 692 Edn.dated 3-5-44.

The budget estimate of 1945-46 as approved by Government was expected to close with a deficit of Rs.-4021/- but it is now expected to close with a deficit of Rs. 2966/- as per revised estimate. The decrease in deficit even in spite of the increase in expenditure on account of the payment of Dearness allowance at the enhanced rate from 1-1-45 as sanctioned in G.O.No.1173 L.A dated 28-5-45 and in spite of additional staff provided as pressed for by the educational authorities is due to the increase in education tax from 2% to 2 1/4% per annum and additional income under G.O.No. 530 Edn. dated 6-4-45. Provision has been made in the revised budget towards the pay and allowances of the two secondary grade trained teachers (one for Muhammadan school and the other for Maravar street school) sanctioned in G.O.No. Memo No.45257 A-45-1 dated 24-10-45 for three months No credit has been ~~sanction~~ taken in the sanctioned budget for the payment of grant by Government towards payment of dearness allowance to the staff though a grant of Rs.3000/- 4011 was sanctioned by Government in 1944-45 in this direction. In the revised budget estimate also no credit has been taken in this direction as no orders of the Government have so far been received. The deficit can be made good only if the Government are pleased to sanction grant for the payment of Dearness allowance to the teachers.

BUDGET ESTIMATE-1946-47.

The Budget opens with a deficit balance of Rs. 2966 and it is to close with a deficit of Rs.-11680/- For receipts and expenditure vide details of col. 5 in the budget estimate.

The increase in expenditure is due to the additional staff provided as follows:

1. Two secondary grade teachers one for the Mohammadan school and the other for Maravar st.school as sanctioned in Govt.MemoNo. 45257 A-45-1 dated 24 10-45.

   Rs.25/- p.m. in the scale of 25 to 45.

2. Three higher grade teachers-Two for Melapatti school and one for Jackamanayakan patti school

   Rs.20/- p.m. ~~xxx~~ in the scale of 20-2½-30

p43 e f g ⓒ

Note

1. Of the two additional higher grade for Melapatti school, one is for to cope up with the increased ~~xxxxxx~~ strength in the school as stressed by the Deputy Inspector of schools and the other for the additional classes to be opened in 1946-47 by converting the school into a higher Elementary one.

2. The one additional higher grade teacher for Jackamanayakan patti school is to cope up with the increased strength in school.

M

P.T.O.

6

A sum of Rs.1000/- has been provided under capital account for the provision of additional accommadation to the Melapatti school and ~~the~~ to convert the school into a higher elementary grade.

Unless the Government are pleased to sanction a Substantial grant towards the payment of Dearness allowance to the teachers, there is no possible ways ~~xx~~ and means to be found to make up the deficit. Or the education tax has to be further increased though the taxation is already high.

Revised estimate for the year 1945-46 and the Budget Estimate for 1946-47 of the Elementary Education fund of this municipality.

Resolution.

" The draft budget is approved.

1. In view of the backwardness in the educational field of this municipality the Government are requested to approve the provision for the additional staff in the Elementary schools, though there is deficit, and to be kind enough to sanction substantial grants to balance the budget as the Council~~x~~ is unable to increase the taxation which is already very high. The anticipated deficit in the E.E. fund budget for 1946-47 is Rs 8,380.

Finance has agreed that the question of sanctioning a subsidy equal to 2/3 of the anticipated deficit may be considered after the actual balance in the E.E. fund on 1-4-46 is known. The provision made in the budget for payment of dearness allowance is ~~only~~ Rs 7,500. The subsidy that can be paid should not exceed this amount. Please see the note of the E & P.H. Deptt on pp 1-2 ante above. The contribution from the General Account taken credit for in the R.E ~~for~~ as well as in the B.E in the Elementary Education budget of the council for 1946-47 is the same as that provided for each of the two years in its general budget. With the above contribution the B.E of the council for 1946-47 as proposed to be revised, closes with a deficit of Rs 17,232 under the General Account against the prescribed minimum balance of ~~Rs~~ Rs 3900, even after taking credit for the entire arrear toll compensation of Rs 10,835 sanctioned to the council in the current and of a similar amount likely to be sanctioned in the next year. In view of this large deficit a grant may be necessary ~~for~~ to this council in 1946-47 towards the payment of dearness allowance debitable to the General Account, ~~as~~ there is no scope to increase the rate of property tax for general purposes. As the financial position of the council is thus ~~satisfactory~~ unsatisfactory the council cannot pay in 1946-47 to the EE fund any additional contribution over and above the contribution already provided (Rs 3000) for the year.
