Note on the Revised Estimate for 1945- 46 and Budget Estimate for 1946- 47.

(3)

General Account.

Provision is made for the payment of 50% increased rate of compensatory allowance, dearness allowance and war allowance to all the staff who are eligible for it. Due to payment of dearness allowance at increased rate with effect from 1-1- 1945, the provision in the revised budget for dearness allowance under all heads is above the original budgetted figure. A list of capital expenditure met from ordinary revenues is attached. Authorities for Government grant, loans and diversions is appended in a separate list.

Explanation for marked variation between the actuals of 1944- 45 the revised estimate for 1945- 46 and budget estimate for 1946- 47 is given at the necessary places. Details for the repayment of diversion from General account to water supply and drainage account both for revised estimate of 1945- 46 and for budget estimate for 1946- 47 are appended in the form of loan statement. The general account closes with a balance of Rs. 26840 against the required minimum closing balance of Rs. 12842 for 1945- 46 and Rs. 18577 for 1946- 47 against the minimum closing balance of Rs. 11655. Provision is made during 1946- 47 to apply for loan of Rs. 42000 and Rs. 48000 for extension of market and for bus stand, respectively.

C. Elementary Education Account.

p11 infra

Provision of Rs. 5300 is made in the revised estimate for 1945- 46 under capital expenditure to meet the cost of acquisition of land and building adjacent to the present municipal building of the Higher Elementary School. It is necessary to provide for this item as proceedings are being taken by the Collector for acquisition. This capital expenditure has to be met by transfer from ordinary receipts. In order to meet funds from ordinary receipts to transfer this amount to capital, the contribution from General Account has to be increased to Rs. 17800 against the budgetted amount of Rs. 12500. Credit is also taken for a sum of Rs. 3780 for 1945- 46 being the grant sanctioned in G.O.No. 1950 Edn. dated 22nd November 1945 equivalent to education tax collected. Marked variations between

p15c (N)

pp27-28 (P)

the actuals of 1944-45 and revised estimate for 1945- 46 and budget estimate for 1946- 47 are explained. Even with the additional grant of Rs. 3780 mentioned above, the Elementary Education Account is expected to close with a deficit of Rs. 1400 due to increased allowances to the staff and payment of increased rate of dearness allowance from 1st January 1945. In order to wipe off this deficit the Government is requested to sanction the deficit of Rs. 1400 from the arrear toll compensation as provided in G.O.No. 1048 L.A. dated 11th May 1945. Credit for Rs. 4000 is taken for 1946- 47 for grant equivalent to education tax collected. In order to meet the cost of acquisition of lands and construction of building for Higher Elementary school and Sweeperpet school the estimates cost of which comes to Rs 35300. It is proposed to apply for a loan of ~~comes to~~ Rs. 17650 and an equal grant of Rs. 17650 during 1946- 47 out of which Rs. 30000 would be utilised for construction of buildings and Rs. 5300 to be paid back to ordinary receipts of Elementary Education fund which was transferred from ordinary to capital during 1945- 46 to meet the cost of acquisition of land and buildings. The contribution from general account to Elementary education for 1946- 47 is only Rs. 10500 because of the excess contribution provided in the revised budget for 1945- 46 to the extent of Rs. 5300. Though this account closes with a deficit of Rs. 1345 during 1946-47 this would be raised to plus 45 if the arrear toll compensation amount of Rs. 1400 is utilised for wiping off the deficit in 1945- 46.

D. Water supply and drainage Account.

Credit is taken for Rs. 10400 for 1945- 46 and Rs. 7900 for 1946- 47 for repayment of diversion from general account to water supply and drainage account. xProxxxxxxn Provision is made for Rs. 20000 during 1945- 46 and Rs. 12000 during 1946- 47 for construction of flush out latrine. Capital expenditure of Rs. 28150 is provided in 1945- 46 out of which Rs. 17000 represents the cost of purchase of X equipment, meters and to meet capital drainage works. Rs. 6000 is also provided during 1946- 47 under capital for drainage works. The closing balance of this account for 1945- 46 is Rs. 29493 and that for 1946- 47 is Rs. 9486.

8. Transfers to other accounts - Contribution from the General Account to the Elementary Education Account.--

Provision has been made for a contribution of Rs.17,800 in the Revised Estimate for 1945-6 against Rs.12,500 in the approved Budget Estimate for 1945-6 and of Rs.10,500 in the Budget Estimate. The contribution approved for 1942-43 which should be considered as the standard is Rs.12,500. The increase~~d~~ of Rs.5300 in the provision made in the Revised Estimate for 1945-6 is to meet the expenditure on the acquisition of land and buildings adjacent to the present municipal building of the Higher Elementary School and it is proposed to pay it back from the Elementary Education Account capital to Elementary Education Account ordinary in 1946-7. The excess contribution of Rs.5300 provided from the General Account to meet the cost of acquisition of land in 1945-46 may be considered as a temporary loan (free of interest) taken from the General Account to be refunded to it in 1946-7 from the grants and loans taken credit for under the Ele. Education Account for school building instead of to the Ele. Education Account Receipts - Ordinary. If this is done, the provision to be made under Contribution from the General Account to the Ele. Education Account in the Budget Estimate 1946-7 may be reduced to 7200 to make up Rs.12500, the standard contribution, with the amount of Rs.5300 returnable to the General Account in 1946-7 as proposed above.** Pending issue of orders on the Ele. Education Fund budget the provision made in the Revised Estimate for 1945-6 viz. Rs.17,800 may be allowed to stand, while that made in the Budget Estimate for 1946-7 may be reduced to Rs.7200. The deficit under the Elementary Education Fund at the end of 1946-7 may be wiped off from the arrear toll compensation of Rs.11918 likely to be sanctioned in 1946-47 if it is not possible to retrench expenditure under Elementary Education Account.

J.L.W.
/4-1-46.

** The proper procedure is to take credit in the General account for the receipt of Rs.5300 in 1946-7 and to make provision for a contribution of Rs.12500 to the E.E. fund from the General fund. The net result of course will be an addition of Rs.3300 to the general account in 1946-7.

The B.E. of the Coonoor council for 1946-47 as revised by the Govt. and after taking into account the income from stamp duty etc. closes with a balance of Rs 20,567. The Comr. now reports that a sum of Rs 15000 more than the amount taken credit for in the B.E. for 1946-47 has been realised under 'market leases' and that a sum of Rs 20220 has also been repaid to the general funds from the E.L. scheme. This latter amount was not taken credit for in the R.E. for 1945-46. The general account for 1946-47 will therefore close with a balance of Rs 55,787 ⊗ without

The Government in their order cited above, were pleased to approve the proposal of this council to incur an expenditure of Rs. 980 in excess of the provision made in the Elementary Education Fund Budget for 1946- 47 approved in (E) G.O. also to raise the contributions from general funds to Elementary Education fund by a like amount.

The actual amount required for expenditure in the Elementary Education fund Budget in 1946- 47 comes to Rs. 1045 on this account including the amount payable to acting teachers and one peon which was not included in the orginal estimate of Rs. 980. Hence an additional sum of Rs. 65 has to be sanctioned in addition to the sum of Rs. 980 sanctioned in the above order and the contribution from the general funds to the Elementary Education Fund budget has to be raised by that amount.

I request sanction of the Government to the above increased expenditure and contribution of Rs.65. The sanction of the Council will be obtained at its meeting to be held this month and submitted to Government.

This Council has in its resolution No. 4421 dated 17th July.1946 vide copy enclosed- resolved to appoint one Secondary Grade Trained teacher and one Higher Elementary Grade trained teacher to the staff of the municipal Higher Elementary school as the present staff is considered inadequate as per para 6 of the Inspection Report dated 21st May 1946- vide copy enclosed- of the Deputy Inspector of Schools, Ootacamund.

The District Educational Officer, Coimbatore, has been addressed in this office letter R.C.No. B3-3053/46 dated 10' August 1946 for sanctioning the appointment of additional staff.

The extra expenditure on the appointment of the proposed staff for the rest of the period in 1946- 47 comes to Rs. 672 for 6 months. Staff. There are now 18 teachers on the staff. Of these one is a full time Prevocational Instructor and one a part time Muslim Religious Instructor. Of the rest, six are Secondary T.T.C., and ten H.E. T.T.C holders. The staff cannot be said to be adequate. The standard VI needs further division and the employment of one more teacher, a secondary T.T.C. holder. As there are already more than ten sections in the school, the employment of an additional teacher over and above as many teachers as there are sections, is justifiable under the new rules. It is hoped therefore that the management will consider this question of appointing at least two more qualified teachers as early as possible.

Orders of the council are requested in the matter. Additional allotment from the general funds would be necessary for the proposed additional staff to the extent of Rs. 714 for 1946-47

ADDRESS
PRESENTED BY
THE PUBLIC OF COONOOR
TO
Sri Rai Bahadur C. Balchand
ON THE CONFERMENT OF THE TITLE OF *RAI BAHADUR.*

SIR,

WE, the citizens of Coonoor extend to you our hearty felicitations on the signal honour done to you by the conferment of the title of RAI BAHADUR. Being almost born and brought up on this hill station and having had your education and up-bringing solely in this town, we claim you, Sir, as one of us. We note with gratitude and appreciation, that unlike many others, you have realised that you owe a debt to the place of your adoption, where you have established your business and made your fortune. That a good part of that fortune, which has been bestowed on you by the Almighty is spent for the amelioration of the poor and the downtrodden in Coonoor and its surroundings, is proof of your broad-mindedness and charitable disposition. Your charity is widely distributed among all deserving persons and causes as well, without distinction of caste, creed, colour or community.

The necessity for an institution for the proper guidance of young girls in Hindu culture and tradition combined with up-to-date modern education was a long felt want on the Nilgiris. The citizens of Coonoor are grateful to you for the fulfillment of this crying need for your having started the only HINDU GIRLS' HIGH SCHOOL, which goes under the name of the famous Patron Saint and Guru — *The Sri Shanti Vijai Hindu Girls' High School.* Had it not been for your unceasing endeavour and unstinted financial support, this great boon to the citizens of Coonoor, would never have come into existence or prospered so well. With you as the prime mover and the motive force behind we are sure, that ere long, this institution will bloom forth into a first rate residential High school for Girls with boarding facilities, which will attract pupils from all over the presidency. You and those associated with you in this noble endeavour deserve our gratitude in no small measure and that of future generations as well.
