Roc. B.I. No. 6398/45 dated 9-12-45.

Sir,

Sub: BUDGET - Elementary Education Fund - Sivakasi
Municipal Council - 1946-47 - Submitted.

I submit herewith in duplicate the revised budget estimate of this Municipality for 1945-46 and the budget estimate for 1946-47 on the Elementary Education Fund account of this Municipality as approved by the Council in its resolution No. 794 dated 4-12-45 (Copy submitted).

2. The construction of a school building for the Municipal Ammankoilpatti street school is under progress. A sum of Rs. 6,700/- being the grant promised for the above work in Government memo No. 45967-A/44 Edu. dated 22-6-45 and a sum of Rs. 6,700/- being the loan sanctioned for the work in G.O. No. Ms. 1444 Edu. dated 15-9-45 have been taken credit in the revised budget for 1945-46.

3. From the year 1945-46, Education tax is being levied in this Municipality at the rate of $1\frac{1}{4}\%$ per annum on the rental value of buildings. Collection of Education tax at this date amounts to Rs. 6,220/- and the equivalent subsidy payable under section 37 of the Elementary Education Act is Rs. 6,220/- But restricting this amount to $1\frac{1}{3}\%$ of the rental value as instructed in G.O. Nos. 530 Edu. dated 6-4-45, the subsidy payable comes to Rs. 4,590/- and this amount has been taken credit in the budget for 1946-47.

4. In view of the inadequate provision of furniture in all the Municipal schools, the Municipal Council has in its resolution No. 622 (b) dated 7-8-45 resolved to approach the Government for the purchase of equipments at an estimated cost of Rs. 2,200/- The Government have already been addressed in the matter, through the Director of Public Instruction and District Educational Officer in my Roc. 5568/45 dated 12-8-45. In anticipation of the Government's sanction of the full grant applied for, credit has been taken in the budget for 1946-47.

5. Standards I to IV in the Municipal Annavithottam street school have already been bifurcated and in view of the increased strength in the Vth standard, from the next school year it is proposed to bifurcate Vth standard also. In the municipal Ammankoilpatti Street school there are only three teachers for five classes. It is expected that the strength will improve when the school is shifted to the new building now under construction.

P.T.O.

Hence it is proposed to employ one additional teacher in this school also. Taking into consideration the appointment of two additional teachers in the schools mentioned above, provision has been made in the budget for 1946-47.
