In para 2 of the G.O. referred to above, the Government have authorised me to permit the Special Officer for Post War Education Schemes to undertake tours within the Presidency whenever necessary in connection with his work. I request that I may be further authorised to permit the Special Officer to go on tour to Mysore in the following circumstances.
 2. The Central Advisory Board of Education will be conducting its meeting at Mysore in the third week of January next. It meets there immediately on the heels of the victorious termination of the war when all thinking minds are engaged with Post-war plans. The notable personalities in

in the Education field in India will be participating in the meeting and exchanging free views on Post-war plans on education. Anybody who attends the meeting and more so the Special Officer now actively engaged under me to draw up the details of the Post-war plan will be greatly enriched by new ideas and knowledge and the way in which the schemes are worked out in other parts of the country. Personal contacts with some of them may also be useful to formulate schemes on special lines. The congregation of such eminent educationalists is a rare opportunity just at a time when our Province is on the way to embark on Post-war education plans of vital importance and I desire that the Special Officer should not miss this chance of meeting the "elite" in the domain of education. I, therefore, request that he may be permitted to proceed to Mysore with a peon to attend the meeting to be held in January next.
