7(b) Contribution to the Elementary Education Account:

The contribution provided in the sanctioned elementary education budget of the council for 1942-43 is Rs.13,000/-. This should generally be considered as the standard contribution. The contribution provided for each of the two years 1945-6 (R.E.) and 1946-7 (B.E.) is the same as the standard contribution. Pending the issue of orders on the elementary education budget of the council for 1946-7, the contribution provided for each of the two years may be allowed provisionally. Besides the standard contribution of Rs.13,000/- referred to above the council has provided for an additional contribution of Rs. ~~300~~ in the R.E. for 1945-6 and of Rs. 1500/- in the B.E. for 1946-7 towards the capital expenditure connected with the acquisition of a site and construction of an elementary school building. As the financial position of the council under the General Account is such that it cannot permit these additional contributions the provision made in the R.E. as well as in the B.E. for these additional contributions may be deleted.

The Council levies property tax (including education tax) at 23¹/₄% which is a very high rate and any further increase is not possible. No dearness allowance grant is necessary to this Council either this year or the next.

C.No. 1537A/46 From the D.P.I., Rep. No. 66 B3/45-46, 2/4.1.46.

The R.E. for 1945-46 and the B.E. for 1946-47 of the E.E. fund of the M. Ch. Cuddalore, call for the following remarks.

2. R.E. for 1945-46 (i) The credit taken under the head "Education Tax" is Rs. 8,230 against Rs. 6,100 in the sanctioned budget. As the actual collection in 1944-45 is Rs. 8002, the credit taken in the R.E. may be allowed to stand.

(ii) Besides the contribution of Rs. 13,000 from the general funds approved in the sanctioned budget, the cl. proposes to adjust a sum of Rs. 500 from the general funds to meet a portion of the capital expenditure proposed to be incurred in the current year. In their note on the general fund budget of the cl., the R.A. Deptt have stated that the general funds of the cl. cannot afford to make this additional contribution. The suggestion of R.A. may be accepted. The cl. may be asked to meet the entire capital expenditure provided in the R.E. from the E.E. fund.

(iii) The provision made under the head "Expenditure ordinary" is in excess of that in the sanctioned budget. As the increase is mainly due to the payment of Desam Ballavara, the provision made for excess expenditure may be approved.

3. B.E. for 1946-47 (i) The suggestion of the D.P.I. in para 6 of his endorsement on p. 10 of the budget is correct. Necessary alteration may be made in the budget.

(ii) Credit has been taken for amount contribution from gr. funds as stated below.

To E.E. fund ordinary	Rs. 13,000
" " Capital	Rs. 1,500.
