 My paper by W.D.S.
 D.D. DEPT. OF MADRAS
 25 OCT 1945

Dear Mr. Subrahmaniam,

I trust you will excuse me for troubling you about an official matter. I do so at the request of Dr. V. Roche S.J., Bishop of Cuttack. He built an orphanage some four years ago, and Sir Mervel Statham had told him that the question of grant for him could be considered at a later stage. He has renewed his application now and Dr. Dey told me that he had forwarded it with a favourable note to Government. You know many of our undertakings have been hit pretty hard by the War: no contributions from France and Italy for five years. If you could do something to help Dr. Roche, it would be well deserved kindness.

With good wishes,
 Yours sincerely
 J. D. Souza

to come. Hence the management have now applied for grant on the orphanage building already constructed.

3. Under Rule 52 of the Grant-in-Aid Code, works commenced before obtaining the special permission of the Director will not be eligible for grant. Though my predecessor refused to admit the application for grant, yet he gave an assurance to the management that the matter could be taken up later. In view of the hope held out by late Sir Meveral and in view of the depleted finances of the Mission, I consider that the scheme deserves special consideration. I therefore request that Government may be pleased to condone the irregularity committed by the management in constructing the building without getting the previous approval of the department and permit me to place the scheme on the approved list so as to render the management eligible for a half grant not exceeding Rs. 9450 towards the construction of the building. As the management may not be able to produce proper vouchers at this distance of time, the half grant may be based on the valuation certificate of the P.W.D. authorities who may be requested to inspect the building and issue the necessary certificate.

Copy of letter dated 28-12-1945 of the Correspondent,
St. Aloysius Girls' High School, Tuticorin.

Sub:- Grant- Building - Orphanage attached to St. Aloysius
Girls' High School, Tuticorin

Your Rc.12/4/B/45, dated 14-12-45.

I furnish below the information required by you.-

POINT.1. The detailed plans and estimates for the construction
of the building for the orphanage were prepared by the retired.
Assistant Engineer, Public Works Department, Mr. Devavaram.

POINT 2. A certificate can be obtained from Mr. Devavaram that
the work has been executed in accordance with the plans and esti-
mates as he was in charge of the work.

POINT 3. At the time of construction of the building there
were a number of military and A.R.P. Works in progress at
Tuticorin and the aerodrome work at Kayathar was also in progress.
The prices of materials were unsteady and the market fluctuating.
There was scarcity of labour. It was very difficult to get a
contractor to do the work even at the estimate rates. They were
demanding very high rates 20 to 30 percent higher than the estimate
rates. The work was therefore got from down through the Mission
contractor, Aloysius at estimate rate.

POINT.4. Vouchers in support of the expenditure incurred on the
execution of the work are available and can be produced. A certi-
ficate specifying the actual amount spent on the construction,
of the building can be furnished if required.

K. Narasimha

Grant - Building - St. Joseph's Orphanage attached to
St. Aloysius Girls' High School, Tuticorin - Inclusion
in the approved list - Sanctioned.

From the D.P.I.R.C.No.885-D/43 d/ 13-11-45 & 18-1-46.

ORDER.Ms.No. 316 Edn. dated 13.2.46

In the circumstances stated, the Government permit
the D.P.I. to include in the approved list ^{as a special case} the scheme relat-
ing to the construction of a building for the St. Joseph's
Orphanage attached to the St. Aloysius Girls' High School,
Tuticorin, ~~as a special case.~~

While this approval does not convey any guarantee
of grant, it will render the institution eligible for a grant
of one half of the cost not exceeding Rs.9,450/- (Rupees nine
thousand four hundred and fifty only), if and when funds ^{become} ~~become~~
available.

2. The management may be required to produce the
certificate prescribed in rule 53(ii) of the Grant-in-Aid Code
and vouchers in support of the expenditure incurred on the
work when it applies for the disbursement of the grant.

To the D.P.I. (with
plans and estimates
returned.

Government of Madras.
EDUCATION AND PUBLIC HEALTH DEPARTMENT.

PRESS NOTE

No. 15

Dated Fort St. George, the 30th March 1939.

The following Press Note is issued by the Ministry of Public Information:--

The Government have issued orders sanctioning the admission of lady L.I.M. candidates for post-graduate clinical training in the Victoria Caste and Gosha Hospital, Madras. A fee of Rs 30/- a month will be levied from each candidate belonging to this Province and a fee of Rs 60/- a month from each candidate coming from outside this Province. The training is optional and candidates may undergo the training for as many months as they choose subject to a maximum of six months and a minimum of one month.

G. H. Cooke,
Secretary to Government.

G.V.K.

GRANTS- Buildings - St. Joseph's Orphanage attached to the S t. Aloysius Girls' High School, Tuticorin - Inclusion in the approved list.

From the Director of Public Instruction, R.C.No.885-D/45, dated the 13th November 1945.

The management of the St. Aloysius Girls' High School, Tuticorin, constructed a building at a cost of Rs. 18,900 for the orphanage attached to the school as there was a large demand for admission into the orphanage. The management did not obtain the approval of the Director of Public Instruction before commencing the work under the impression that it would not be possible to get a half grant from the Government for the work during war time. After completing the work, the management represented their case to the late Director of Public Instruction, Sir R.M.Statham, but he replied that the matter could be taken up later. vide portion X on p.6.c.f. An application has now been made for a half grant for the work.

2. The restrictions imposed in G.O. 1915 Edn, dated the 9th December 1941, do not apply to orphanages. Further this is an orphanage attached to a girls school. Under rule 52 of the Grant-in-Aid Code, works commenced before obtaining the special permission of the Director are not eligible for grant. In view of the depleted finances of the Mission on account of the stoppage of contributions from abroad, the Director of Public Instruction recommends that the irregular action of the management may be condoned and requests that he may be permitted to place the scheme in the approved list to enable the management to get a half grant, not exceeding Rs. 9450. He suggests that the half grant may be based on the valuation certificate of the P.W.D. as the management may not be able to produce proper vouchers now.

3. Attention is solicited to rule 53(ii) of the Grant-in-Aid Code. The D.P.I. may be requested to ascertain and report

(i) whether the detailed plans and estimates for the work were prepared by a recognised professional Architect or Engineer, whether an Architect or Engineer

~~was~~ in charge of the work during execution and if so, whether a certificate can be obtained from him that the work has been completed in accordance with the plans and estimates.

(2) whether the work ~~was~~ let on contract and if so for what amount; whether the management can produce vouchers in support of the expenditure incurred on the execution of the work and furnish a certificate specifying the total amount actually spent on the building.

The DPJ ~~may also be~~ requested to obtain the plans and estimates ~~for the work~~ according to which the building was constructed.

the St. Aloysius Girls High School, Tukcon, was constructed in 1943 at a cost of Rs 18,900 without obtaining the previous approval of the D.P.J. When the management applied for a grant in 1943, the then Director regretted that no help could be given owing to the pressure of war on Govt's finances and that the matter could be taken up later. The management has now renewed its application for a grant.

2 Under rule 52 of the Grant-in-aid Code, works commenced before obtaining the special permission of the Director are not eligible for grants. For the reasons stated at A' on p 7 of., the Director has recommended that the irregularly defaced building above may be included and that he may be permitted to place the scheme on the approved list so as to render the management eligible for a half grant ^{not} exceeding Rs 9,450. For the reasons stated at M' on p 2 above, EPH propose to permit the D.P.J to place the scheme in the approved list as a special case. It is noted that, in the circumstances, his Dept. may agree to the proposal.
