G.O. Ms. No. 120, Education, dated 17th January 1946.

Order—No. 341, Education, dated 18th February 1946.

The Government direct that the educational concessions admissible to children and dependants of Defence Services personnel under the instructions in the Appendix to G.O. No. 610, Education, dated 20th April 1945, as subsequently amended in G.Os. No. 1061, Education, dated 16th July 1945, No. 1321, Education, dated 30th August 1945, No. 1400, Education, dated 12th September 1945 and No. 1401, Education, dated 12th September 1945,

No. F.12-6/45-R.
Government of India.

New Delhi, the 9th January, 1946.

From

Dr. John Sargent, C.I.E., M.A., D.Litt.,
Secretary to the Government of India.

To

The Secretary to the Government of Madras,
Education and Public Health Department, Madras.

Sir,

I am directed to refer to your letter No. Ms. No. 1196-Edn., dated the 7th August, 1945.

2. I am to invite your attention to the consideration that the financial burden of the proposal is not as onerous as would seem at first sight, as the number of children involved is not likely to be over 800 for the whole of India. Moreover, the Provincial Governments of Central Provinces and Berar, Orissa, Bihar and Assam, and the Administrations of Delhi, Ajmer-Merwara and Baluchistan have already consented to extend the concessions to children of the W.A.C.(I). Replies are being awaited from the other Provinces.

3. I am to state that no departure from the general criterion of dependency upon the father is contemplated. It is intended that this proposal should cover all those cases where the child is dependent upon the W.A.C.(I), and not upon the father, e.g. where the W.A.C.(I) is a widow or a divorcee. It is to be pointed out that a very large number of W.A.C.(I) are single, and in their case the question of children does not arise. Many of the married W.A.C.(I) are probably wives of soldiers, and in their case, the children are covered by the concessions already granted by the Government of Madras. Among the very few W.A.C.(I) whose children are really dependent on them and not on their fathers, a good number may have incomes over Rs. 200 and these too will be barred. Thus the remainder who are likely to be eligible should in the opinion of the Government of India be very few indeed.

4. The Government of India express the hope that in view of these considerations, the Government of Madras will reconsider their decision.

5. The Government of India further hope that if this proposal is not acceptable, the Government of Madras will extend these concessions at least to the children and dependents of General Service W.A.C.(I). It is to be observed that General Service W.A.C.(I) were liable to serve in an "Operational Area" as defined by the Home Department (in their letter No. 363/9/45-Est. (R), dated the 22nd October, 1945) and numbers of them have actually exposed themselves to the dangers and hardships of operational areas. In this connection, it is suggested that it would be inequitable to distinguish between those W.A.C.(I) who have actually served in an "Operational Area" and those who are only liable to do so, as a soldier must necessarily serve where he is posted.

6. I am to request that the decision reached by the Government of Madras be communicated at an early date as the

matter

shall be awarded also to children of the personnel of the Women Auxiliary Corps (India), who are born on or before the 28th February 1947. This concession will be granted only if the children are dependent solely on the member of the Women Auxiliary Corps (India) concerned.

2. I am to invite your attention to the consideration that
the financial burden of the proposal is not as onerous as would

provincial Governments of Central Provinces and Berar, Gujarat,
Bihar and Assam, and the Administrations of Delhi, Ajmer-Merwara

3. I am to state that no departure from the general
policy of dependency upon the father is contemplated. It is

WAR - Educational concessions to the children of members of W.A.C. (I).

For reasons stated in letter No.1196-Edn., dated 7-8-45, the Govt. of India were informed that this Govt. could not accept their suggestion that the educational concessions sanctioned in connection with the war should be extended to the children of members of the W.A.C. (I). The Government of India now point out that no departure ^{from} ~~on~~ the general criterion of dependency upon the father is contemplated and that the number of children that will have to be granted the concessions will be very few and request a ~~re-consideration~~ ^{re-consideration} of the decision. If this is not possible, they suggest that the concessions may be granted at least to the children and dependants of General Service W.A.C.(I) as the members of this service were liable for service in the "Operational Area".

The file may be sent to Public (War) and Finance for remarks.

It is proposed to communicate a copy of the order to the three universities as there may arise cases of students in University colleges having to be granted the concessions. The Finance Dept has suggested in another connection that the universities should first be invited to grant the concessions and the question of granting compensation, if any, to them for the consequent loss of fee income should be considered only after seeing the universities' response to such invitation.
