Office of the Director of Public Instruction, Madras, dated 14-12-45.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.
Director of Public Instruction, Madras.

To

The Secretary to Government of Madras,
Education & Public Health Department, Madras.

Sir,

Sub: S.S.L.C. Public Examination - Admission of
Elementary Grade Trained Teachers as Private
candidates.

57718/342

1. In their Order No.1758, Education, dated 22nd November, 1944, Government have permitted Higher Elementary Grade teachers trained under the revised scheme introduced from 1940-41 to appear as private candidates for the T.S.L.C.. Examination of the Secondary Grade provided they have passed the University Matriculation Examination or otherwise eligible for admission to University Courses of study. In G.O.No.1386, Education, dated 11th September 1945, the same concession has been extended also to Higher Elementary Grade teachers trained under the OLD SCHEME (in force prior to July 1940), provided they have passed the University Matriculation or have otherwise secured eligibility for admission to University Courses of study and provided also they have had at least five years teaching experience subsequent to their passing the T.S.L.C. Examination.

2. The above concessions have been granted mainly with a view to increasing the number of Secondary Grade trained teachers and it is also the accepted policy of Government to have ultimately only Secondary Grade trained teachers in Elementary Schools. Under the G.Os quoted above, Higher Elementary Grade trained teachers can appear for the Secondary Grade T.S.L.C. Examination as private candidates ONLY if (1) they have passed the Matriculation Examination of the University or (2) have otherwise secured eligibility for admission to University course of studies - the latter part refers mainly to the S.S.L.C. Public Examination and securing eligibility to the University Courses of study.

3. The Universities have granted certain concessions to BONA FIDE teachers to appear as private candidates for the Matriculation Examination. But in regard to the S.S.L.C. Public Examination only those who have once appeared and failed at it and also have not exhausted the three or four chances proscribed in the rules, can be admitted as private candidates - vide para.VIII (2) of the S.S.L.C. Notification. Under the existing rules of the S.S.L.C. Scheme, the production of school records is essential and without the school records, candidates cannot be admitted for the S.S.L.C. Public Examination as private candidates. Therefore the question of permitting Higher Elementary grade trained teachers to appear for the S.S.L.C. Public Examination as private candidates, dispensing with the production of school records, as considered by the S.S.L.C. Board at its meeting held on 8th October 1945, and the following resolution was passed:

"The Board resolves to recommend that Higher Grade trained teachers' certificate holders who are in service as part-time teachers in recognition under the control of the Director of Public Instruction,

Madras, for at least three years after passing the T.S.L.C. Examination, be admitted as private candidates for the S.S.L.C. Public Examination. This concession will be allowed only upto 1950."

The concession will be a stimulus for teachers to improve their qualifications.

4. The Registrars of the Madras and Andhra Universities were consulted as to whether they will declare Higher Elementary Grade trained teachers as eligible for admission to University courses of study, if they satisfy the rules of eligibility in regard to the marks obtained at the S.S.L.C. Public Examination. They have replied that such candidates will also be declared eligible if the rules of eligibility are satisfied.

5 Under these circumstances, I recommend the resolution of the S.S.L.C. Board for acceptance, and request that orders of Government may be obtained permitting Higher Elementary trained teachers' certificate holders, who have put in at least 3 years' service in recognised schools under the control of the Director of Public Instruction, Madras, after passing the T.S.L.C. Examination to appear as 'Private' candidates for the S.S.L.C. Public Examination.

6. It is proposed to have the first examination under this arrangement in March 1947 and the last examination in March, 1950. If Government are agreeable to this proposal, the enclosed draft amendment to the S.S.L.C. Notification may be approved and published in the Fort St. George Gazette.

1 In this connection, I am to state that with a view to affording facilities to teachers, who have failed in the Matric or Upper Secondary Examination and who were desirous of being admitted for Secondary Grade training, Government in their Order No.1019, Home (Education), dated 27-9-1916, sanctioned the institution of an examination under the S.S.L.C.Board. As the number of teachers who stood in need of such facilities decreased gradually, the examination was abolished with effect from 1929 with reference to G.O.No. Ma.1471, (Education), dated 28-7-1927.

5 The candidates appearing for this examination will be provided with a separate certificate exhibiting only the marks obtained by them out of maximum of 100 in each subject at the S.S.L.C. Public Examination and the two Universities will publish the eligible lists.

I have the honour to be,
Sir,

Your most obedient servant,

TRB.18/12 ^{sol}_{18/12} for DIRECTOR OF PUBLIC INSTRUCTION.
