Sir,

Sub: Government Press, - Mono Spool Paper for Monotype
 Composition - Purchase of - sanction requested.
 Ref: G.O.No.Ms.1197 Edn., dated 7-8-45

I have the honour to state that the "Monotype" Keyboard Spool Papers (English made) required for the use of this office are being purchased from the Monotype Eastern Company, Limited, Calcutta and other firms as and when required.

2 During war the Spool papers could not be imported by the Monotype Eastern Co., Ltd., Calcutta direct from England and therefore they are manufacturing this paper themselves at Calcutta and as paper required for the manufacture for supply to Government Press had to be met from the Madras Government quota they have asked me to arrange for the release of the necessary paper so that they can arrange with the mills and supply spools after the necessary work is completed in their work.

3 The Superintendent of Stationery was then asked to arrange for the supply of paper to the extent of the quantity required by this office (about 1 1/3 tons) from Government allocation of paper and this item (Spool paper) also was included in this office Annual indent for Stationery for the year 1945-46. He has agreed and stated that arrangements will be made for supplying Mono spool paper manufactured by the Mills to Monotype Eastern Co., Ltd., Calcutta.

4 A part supply of the paper was asked to be arranged to be supplied in advance to meet the urgent demands of this office and the part supply of 1042 lb. of Monotype paper (at Rs.1-4-0 per lb. nett ex-Godown Calcutta) were received from the Monotype Eastern Co., Ltd., Calcutta in two consignments. Two bills in respect of the above supplies amounting to Rs.1369-12-0 including packing and forwarding charges have also been received.

5 The supply being with reference to my stationery annual indent placed with the Superintendent of Stationery, Madras who has also agreed to make arrangements for the supply of the paper, the bills were forwarded to him for payment, but they have been returned with the remarks, that the Mono Spool paper may be obtained by me direct (vide copy of letter No.B.3.5517-43 dated 11-12-45 of the Superintendent of Stationery enclosed).

6 I therefore request that the Government may be pleased to accord sanction for the payment of a sum not exceeding (Rs.1560/-) Rupees one thousand five hundred and sixty only (including Railway Freight and delivery charges) for the purchase of 1042 lb. of Monotype paper from the Monotype Eastern Co., Ltd., Calcutta.

7 The expenditure will be met from the appropriation under 56. Stationery and Printing (d) Government Presses (Madras) F. Other expenditure - 4 Stores purchased in India.

Ref: Your telephonic message dated 6-2-46 and G.O.Ms. 345 Edn., dated 19-2-46, and my telephonic message dated 11-2-46 in reply thereto.

The Superintendent of Stationery, Madras has since stated in his letter No.B.34498/44 dated 18-2-46 copy enclosed for information that he has not so far supplied to the Monotype Eastern Co., Ltd., Calcutta any special variety of paper from the Madras Government quota for the years 1944-45 and 1945-46. Hence the question of recovery of cost of paper from supplied to the company for the manufacture of spool paper does not arise.
