Re.2473 B/45 dated 10-10-1945.

Sir,

Sub: Elementary Education - Instruction in Music in
Girls' Schools - Appointment of Music teachers
- Proposals for amending the qualifications.

In G.O.No.2463 Education dated 16-11-1936, the
Government prescribed the following qualifications for
music teachers in elementary schools:--

General Educational
qualification.

Technical quali-
fications.

Possession of an E.S.L.C. of
the VIII Standard or a Transfer
Certificate issued by the Headmaster
of a Secondary School declaring the
holder thereof eligible for promo-
tion to Form IV.

Possession of Govt.
Technical Teachers'
certificate of the Lower
grade in Indian Music or
the T.T.C. of the Higher
grade with music as an
optional subject.

As an alternative, the possession of a Teacher's certificate
in Indian Music awarded by the Commissioner for Government
Examinations, Madras and the general qualification prescribed
above was prescribed in G.O.No.930 Education dated 25-4-39.

In the syllabus for Elementary Schools, Music has been
prescribed as a compulsory subject in Lower Elementary schools
and as an optional subject in the higher elementary schools.
It is also one of the subjects prescribed for the secondary
and the elementary grades of the Revised T.S.L.C. Examination;
but it is not one of the subjects in which the pupils
are examined at the public examination. As music is not
offered as an optional subject under the revised T.S.L.C.
scheme, higher elementary grade trained teachers with music
as optional will not be available in future for appointment
as teachers in elementary schools. Candidates possessing
the Teachers' certificate in Indian Music awarded by the
Commissioner for Government Examinations are not also avail-
able in such large numbers as to meet the full requirements
of all aided and local board elementary schools. Under
the existing rules, it is not permissible for the ordinary
higher elementary or secondary grade trained teacher
to teach music in elementary schools.

In view of the paucity of music teachers with the
qualifications prescribed in the G.Os quoted above, I
recommend that higher elementary grade trained teachers
with some talent in music may be permitted to be employed
in the elementary schools under the management of local
bodies. In the case of aided elementary schools, higher
elementary grade trained teachers with musical talent may be
permitted to be employed as extra-teachers since music
is a compulsory subject in all the lower elementary schools
and the assessment of teaching grant on their behalf may be
permitted. If these proposals are approved by Government
necessary amendments to the rules framed under the Madras
Elementary Education Act will be proposed.

Copy of Proceedings R.C.No. 663 D/26 dated 15th. Aug. 1936 of the
Director of Public Instruction, Madras.

Scheme for the award of scholarships including fee concessions under Rule 32 of the Grant-in-aid Code in the St. Anne's Secy. School for girls, Royapuram.

The scheme is hereby approved subject to the following alterations.

(a) For the words 'of fee concessions' occurring at the end of rule 1 of the scheme substitute 'of either money payments or a total or partial remission of fees.'

(b) Substitute the following for rule 2 of the scheme:-

some person deputed by the management; (2) the Headmistress and (3) one of the members of the staff of the school to be deputed by the management.

(c) For the words 'Headmaster and District Educational Officer', occurring in rule 13 of the scheme substitute 'Headmistress and Inspector, respectively'.

2. The management should be informed that the payment of a grant in respect of the scheme will be dependent ~~on~~ upon funds becoming available in 1927-1928 and future years and other conditions of a grant on fee concessions being satisfied. Provision will, however, be proposed in Part II of the Budget for 1927-1928 for the expenditure under the scheme.

3. An estimate of the expenditure during the current year under the above scheme should be submitted to the Director before 10-9-1936 at the latest.

Forwarded to the Correspondent, St. Anne's Secondary School for Girls, Royapuram, for Information.

2. A copy of the scheme with modifications suggested by the Director of Public Instruction should be submitted to this office for reference.

3. The estimate called for in para 3 of the Proceedings may be forwarded as early as possible with details as to how the estimate was arrived at.

Sir,

Sub: Elementary Education- Instruction in Music in
Girls' schools - Appointment of Music teachers
Proposals.

Ref: Your T.M., dated 29-10-1945.

On further consideration of the matter, I am of opinion that the higher elementary or Secondary grade teachers trained under the present scheme of training will not be able to teach music in elementary schools even though they may have some musical talent. Hence the teaching of music can be entrusted only to specialist teachers who have taken the Technical Teachers' Certificate in Indian Music.

2. As far as Elementary schools under the management of Local Bodies are concerned, Government have permitted the appointment of separate music teachers with the sanction of the Director. (Please see G.O.No.370 L & M, dated 24-1-1929) As regards aided elementary schools, I suggest that the managements should be permitted to appoint specialist teachers in music with the permission of the Inspector concerned.

3 Rules relating to Elementary schools do not provide for the assessment of grant for extra teachers to teach music. Since music is a

6
a compulsory subject in lower elementary schools, I request that separate music teachers may be allowed in all aided elementary schools, and the assessment of grant permitted for them according to their qualifications.

As regards the pay to be allowed to music teachers in Local Body Schools; they are to be given the scale of pay for higher elementary grade trained teachers. Otherwise they are eligible to the pay laid down in G.O.No. 2436 Edn., dated 16th November 1936.

Sir,

Sub: Elementary Education- Instruction in music in Girls Elementary schools - Appointment of music teachers - Approximate expenditure.

Ref: Your T.M. dated 28-12-1945

1508
Statistical figures regarding the number of specialist teachers for teaching music are not readily available. The total number of aided elementary schools in the Province as on 31-3-1945 is 17330. As it is not likely that a large number of elementary schools will appoint specialist teachers in music if permitted and as there is a paucity of music teachers I consider that approximately 10% of the schools may be taken as a rough estimate that are likely to -- appoint specialist music teachers based on this the approximate extra cost to Government will be Rs 291200 for a calendar year (for 1733 teachers at Rs 168/- per year)

Regarding the rate at which grants are to be assessed for music teachers in aided elementary schools it is suggested that the rates may be Rs 168/- per year for a fully qualified and full time instructor and Rs 108/- for a partly qualified instructor (i.e. posses-

sing technical qualification only)

Employment of music teachers in aided ele. schools - Assessment of grant.

'Music' is a compulsory subject in lower ele. schools and an optional subject in higher ele. schools. In the case of ele. schools under local bodies, the Govt. have permitted the employment of separate ^{music} teachers, with the Director's sanction. In the case of aided ele. schools, however, there is no provision in the rules for the assessment of teaching grant on behalf of teachers employed for giving instruction in Music. The D.P.I. recommends that managements of aided ele. schools may be permitted to appoint separate music teachers, with the permission of the Inspectress, and that the managements may be paid a grant of Rs.168 p.a. for fully-qualified instructors and Rs.108 for partly-qualified instructors. By 'fully-qualified teachers' is meant teachers who possess the minimum genl. edl. qualification and also the technical qualification prescribed. By 'partly-qualified teachers' is meant only persons possessing the technical qualification. The genl. edl. qualfn. and the tech. qualfn. for the music teachers are those shown in at p.1 C.F.

ordinary class-
2. In addn. to the teachers employed in aided ele. schools, grant is assessed for pre-vocational instructors and for Pandits in higher ele. schools. The question of assessing grant for the employment of music teachers was considered previously more than once - please see pp.19-20 of G.O.413-Edn., dated 24-2-39. A proposal to give a grant of Rs.5 a month for each Music teacher employed in aided ele. schools was considered as a Part II scheme for 1939-40 and was deferred for want of funds.

3. The Director now states that, if grants are assessed for music teachers, only 1733 out of 17,330 elementary schools in this Province ^{actually} will be employing them music teachers and that the extra cost to Govt. will be

p7 CF

about Rs. 8,91,200 a year. It is not, however, stated how ~~many~~ ^{actually} many schools are now employing music teachers and what the ^{expenditure} incurred by the managements on them is. // 4. Proposals like this are ordinarily considered as Part II Schemes. ^{As} Even if permission is ^{now} granted for the employment of ~~the~~ music teachers, only 1/10th of the elementary schools will be employing them, it does not seem that this is a matter of urgency. The Director may be asked to ^{bring} forward the proposal as a Part II Scheme for 1947-48.

'N' a. p. 1 are -

Once we are committed to this, we will have to make the provision in all cases; we cannot be sure that the number of schools employing music teachers will always remain as the 1/10 of the total as assumed.

It is better

not to add to the present heavy commitment we are accepting in the various departments relating to compulsory education. In addition, I think, wait; 'N' above may be approved.
