With reference to para 6 of the Government Memorandum  
quoted above, I have to inform you that the following arrangements  
have been made with regard to the supply of midday meals to poor  
children, attending Elementary Schools, in some of the Centres, at  
which midday meals are to be provided.

2. Midday meals Committees, consisting of the respectable  
persons of the locality have been constituted at each centre. A  
President, a treasurer and a secretary have been appointed for  
each midday meals committee. Rented building or buildings, free  
of rent have been obtained for the purpose of cooking and  
serving in some of the centres and the Midday Meals Committees have  
been prevailed upon to construct a shed for cooking  
purposes, in other centres where it was not possible to secure such  
buildings and serving is to be done in the school premises itself.  
The Midday Meals Committees in all the centres have promised to  
provide for the present, necessary utensils required for the  
purpose of cooking, which are to be supplemented or replaced  
later on. The Collector has, however, been addressed for the issue  
of ration cards for the purchase of the required quantity of rice

ELEMENTARY EDUCATION--Compulsory--District Board, Chingleput.  
Provision of midday meals--Particulars furnished.  
Reference:--Government Memorandum No. 32083-A5-Edn. dated 1.9.45  
and your Rc.No. 1266-B-44 dated 14.9.1945. (S)

With reference to para 6 of the Government Memorandum referred to above, I send herewith a list of centres at which mid-day meals have to be provided and the number of pupils to be fed at each centre. The centres have been selected only in consultation with the District Educational Officer, Chingleput District. Arrangements are being made to feed the poor children through the local feeding committees constituted for each centre.

In all the 14 centres, there are about 15,000 poor pupils who deserve to be fed and compulsion will be a thorough failure if only 5,000 of them are fed. So, I have advised the feeding committees to raise donations and arrange to feed as many poor children as possible. Only philanthropic and most influential persons have been appointed to the committees as members.

I request you to kindly recommend to Government to sanction immediately the payment of subsidy required for the provision of midday meals to poor children in the current year.

## Indian Mercantile Marine Training Ship "Dufferin"

### Aims and Objects of the "Dufferin".

1. To obtain suitable candidates from British Indian Subjects or Subjects of a Ruling Prince in India for the Indian Mercantile Marine and to train these in such a way that they may with confidence be expected to follow the sea as a career, and be fit in all respects to hold their own as good and efficient Officers, Executive or Engineering.

To attain this result, it is necessary :—

- (i) To bring each Cadet up to an educational standard which will enable him to continue his own education at sea in the case of Executive Cadets, ashore and afloat in the case of Engineer Cadets, and so eventually to pass the Government Examination for Certificates of Competency as Masters and Mates or Engineers in the Mercantile Marine.
- (ii) To bring each Cadet to an educational standard so that, should he elect not to follow the sea, his education on board will stand him in good stead, whatever profession he desires to follow. (See paragraphs 11 and 12 below.)
- (iii) To give all Cadets a training to fit them to take their place as Officers, and to face with fortitude and endurance the hardships inseparable from life at sea; such an end to be attained by the actual life on board the Ship, by manual work, by strict discipline and by causing them, as far as possible, to take responsibility in minor matters whilst yet boys.
- (iv) To give all Cadets a social training which will enable them to move in confidence in any society without embarrassment either to themselves or to others.
- (v) Through the supervision and example of a carefully selected Staff to imbue all Cadets with a sense of loyalty, patriotism, manliness, devotion to duty and self-sacrificing spirit of service, together with a healthiness of mind and body such as will render them true and useful servants and citizens of India and the Empire.

### Staff.

6. Engineer Cadets proceed to certain approved Dockyards or Workshops as apprentices for further training prior to going to sea as Engineer Officers.

7. About 36 scholarships—Government and private—are available to Cadets of either branch while training on board the "Dufferin", and also about 15 while serving as apprentices in the case of Engineer ex-Cadets.

At centre No.19 (in statement II) six pupils were fed for  
5 days, and therefore the total number of meals supplied should  
be 30 and not 271 as stated in column 7. The excess viz. 241 meals  
is disallowed and thus the number admissible is only 6180, as  
already stated in the note under item (a) of Director's endorsement

Sir,

Sub:- EDUCATION - Elementary - Compulsory Education -  
Supply of midday meals - subsidy for 1945-46 - refund  
of excess - instructions requested.  
Ref:- Government Memo No.25747-B2-46-2/17-7-46.

42266

From the above Government Memorandum, it is seen that a sum of Rs.6,975/- being the advance paid to the chairman of midday meals committees up to 31-3-46, as per instructions contained in R.O.No.1266-B-44/5-1-46, and Rs.717/- being the amount of pay, dearness allowance, and travelling allowance paid to the special staff appointed in accordance with Government Memorandum No.45188-A-1-Edn/19-10-45 and 4891-A1-Edn/31-1-46, are not taken to account while calculating the excess subsidy refundable. As the above expenditure also had actually been incurred by the Dt.Board before 31-3-46, as already stated in my Ref.E10-6116-46/23-4-46, the balance of subsidy refundable is only Rs.13265/- against a sum of Rs.20,957/- now specified in the above Government Memorandum.

2. In my letter Ref.E10-6116-46/11-4-46, I had stated that a sum of Rs.10,900/- is required every month to meet the expenditure on midday meals alone. A sum of Rs.3700/- a month, on an average, is also required for payment of salaries and allowances to teachers, peons and conductresses employed in Ele.Schools under compulsory areas. In addition a sum of Rs.150/- a month, on an average, is also required for payment of salary, dearness allowance and travelling allowance to the special staff appointed in the Dt.Board Office in connection with the introduction of compulsory education. Thus on an average, a sum of about Rs.14,750/- a month is required for payment alone. Further, a sum of Rs.3,053/- has also been spent already on the purchase of furniture in some Bd.Ele. schools in compulsory areas. In all the Board has already spent Rs.62,053/- from 1-4-46 up to date. In my letters Ref.E10-6116-46/11-4-46 and 7-5-46 I had requested the Government to sanction the necessary advance subsidy to meet the above expenditure.

In the light of the above facts, and in view of the fact that the payment of salaries to teachers and the cost of midday meals to the chairman of the committees cannot at any rate be delayed, I request that the Government may be pleased to sanction the necessary subsidy at an early date so as to enable me to refund the excess referred to

The Chairmen of the Midday Meals Committees have been paid an advance of Rs. 6975/- before the end of March '46 for the supply of Midday meals as already stated in my letter Ref. E10-6116/46 dated 29-7-46. This sum of Rs. 6975/- was recouped by adjustment out of Government Subsidy. As this advance is expected to be with the chairmen at all times, it is not recoverable but it is recouped by them every month by preferring regular bills and receiving payment from this office. Since the Government, in their above memorandum have pointed out that the advance paid may be recouped later on by adjustment of Government Subsidy, the amount of excess subsidy refundable, therefore, works out only to Rs. 13,947/- against Rs. 20922/- ordered to be refunded in the said memorandum.

As no subsidy for 1946-47 for meeting the expenditure under compulsory Elementary Education Scheme and supply of midday meals is sanctioned so far, the Elementary Education Fund has already encroached on the General Funds of the District Board to the extent of Rs. 62,000/- up to August '46.

In the circumstances, I request that the Government may be pleased either to adjust the above excess subsidy from the Government Subsidy payable in 1946-47 or to permit me to refund the said excess after receipt of the subsidy for 1946-47.
