Most Honoured Sir,

Sub:- Public Services- Appointment by transfer to Ministerial service- Rule regarding 10 years' service- relaxation of- humble memorial of K. RANGA RAO an S.S.L.C passed attender. and officiating clerk under rule 9(a)-1.

(F) In G.O.No.621 dated 26-3-41(Public services) it is laid down that attenders in Madras General subordinate service shall not be promoted to Ministerial service unless they render 10 years' satisfactory service, and in this connection the memorialist begs leave to submit the following for favour of sympathetic consideration and early orders.

(B) The benign government has been pleased to confer upon attenders in the Education department several rights such as allowing their leave and Travelling allowance to be treated as in the case of subordinates in superior service and giving them the privilege of choosing the manner of super-annuation. Also in G.O.No.2929 (Public services) dated 5-10-44 all unpassed candidates in service have been given the scope of appearing for the general test of S.S.L.C standard conducted by the commission every year, in order to qualify themselves for promotion to higher posts, on being certified by the Head of the department as fit for promotion. But passed S.S.L.C candidates of whom the memorialist is one working as attenders in the department prior to the G.O. 621 dated 26-3-41 are neither allowed to sit for the same test as is allowed in the case of unpassed attenders, nor to sit for the competitive examination for Ministerial service, by being full members of the service having completed more than five years' service, nor has the 10 years' bar been relaxed in their case in view of their higher qualifications and consequently chances for promotion have become remote. Now that the absorption of candidates with war service, into civil posts is about to be taken up, the chances for passed S.S.L.C candidates with about 7 years' service, to have promotion would be far from easy reach. Further in G.O.No.2543(Public service) dated 26-8-44 it was ordered that all permanent vacancies reserved for candidates with war service may be filled up by approved probationers in service who are awaiting confirmation in natural course, on the ground that the existing personnel would be deprived of their rights that accrued to them. The same difficulty involves in the case of passed S.S.L.C attenders who are working in this department prior to the date of G.O. of 10 Years' bar, and if the benign government is to be pleased to give a chance for promotion to the candidates by relaxing the 10 years' rule at this juncture, it would not only serve as a veritable boon for them but would prove an asset in their life.

(J) The memorialist therefore begs leave to approach the benign government with the request that the 10 years' bar contained in G.O. 621 D/ 26-3-41 may be relaxed in the case of all S.S.L.C passed candidates in service in general, and in the case of those S.S.L.C eligible candidates who are serving prior to the date of the above G.O. in particular; and the service rendered by these attenders as emergency clerks may be ordered to be reckoned for purposes of probation as clerk, for which act of kindness the memorialist begs to remain ever grateful and loyal.

I beg to remain,
Most Honoured Sir,
Your most obedient servant,
