D.O.No.9/S.B.C.

Mr. Coorey,

Sub: Fixation of pay - Dhanapaul Chettiar -
Sri A.D., Government Press - G.O.No.2152-A
dated 19-12-1945.

I personally feel the injustice in the matter
of fixation of officiating pay of Sri A.D. Dhanapaul
Chettiar, Officiating Head Clerk of my office and
I would request you to interest yourself in this
matter personally.

From the details furnished in para 2 of my
letter No.9/SBC dated 24-11-45 it may be noted that
he had hardly had any benefit by his officiating
promotion as Head Clerk ever since his promotion
to the post in spite of the indisputable fact that
the officiating post carries with it assumption of
really higher responsibilities than those of his
substantive post.

The adverse effect of making him a loser in
his monthly emoluments as compared with his
substantive pay with allowances was pointed out to
Government in my letter No.H.C/S.B.C., dated
1-6-42 with a recommendation for an advance
increment to fix his pay at Rs.108/- in the scale
of Rs.100-8/2-140. But Government were pleased to
sanction him only a personal compensatory allowance
of Rs.7-8-0. If my proposal had been accepted he
could have automatically been brought under
G.O.No.3009, Public (Services) dated 13-10-44 for a
higher stage in the pre-1938 scale Rs.100-150/-.

I thought under these circumstances that his
case could rightly be covered as an exceptional
hardship under para 2 of G.O.No.3009 Public (Services)
dated 13-10-44 but since Government have ruled

it

it otherwise I would request you to consider the possibility of doing justice in other direction viz. the grant of 2 advance increments in the pre-1938 scale with Personal compensatory allowance now granted to him absorbed in it. This would now give him a small margin of benefit of Rs.5/- a month over his total existing officiating emoluments. Though a poor recognition it would be immensely appreciated.

The hardship in this case is further aggravated by circumstances detailed in para 3 of my letter No-9/S.B.C., dated 21-11-45. If the incumbent had but been spared on leave, which could not be done in the interest of public service, he could have had the benefit of re-fixation in the higher stage in pre-1938 scale.

These circumstances to my mind do warrant a sympathetic consideration and I would therefore press for 2 advance increments as requested above.

Yours sincerely,

Clarence O. Coorey
