In recommending the proposal of the President, District Board, Salem, I would suggest that the teachers in Board Elementary Schools also who are working as Branch Postmasters and who are paid dearness allowance by the Postal Department may be paid only the difference in the rates of allowance paid by the Postal Department and the District Boards; and this may be given effect to from 1-4-1945. MADRAS,

A1. 129 21/42

Thro'
The Proper Channel,

The humble memorial of A. P. Gopalan Erady. asst. Master Board Girls School. Patinhattumuri (Calicut Taluk.)

Respectfully showeth :—

(1) that, on account of the present war conditions, the market prices of rice, cloth, kerosine, gingily oil, cocoanut oil and other necessaries of life have abnormally increased. This is clear even from the index tables published by Government

(2) that, in Malabar, the rise in price has been the highest in the Presidency.

(3) that, consequently, the memorialist finds it extremely hard to maintain himself and his family on his present salary of Rs. 21/

(4) that, owing to the inadequacy of his present salary to meet the abnormal increase in the cost of living, he is running into debt and will soon be on the verge of insolvency

(5) that his present position, therefore demands immediate pecuniary relief.

(6) that realising the, difficulties of their low paid servants, Governmet themselves have sanctioned varying rates of dearness allowance to their servants and have permitted Local Boards to grant similar allowance to their servants.

(7) that, private employers like factory owners and quasi public agencies like Railway Companies have also given generous aid to their low paid employees to allow them to tide over these difficult times

(8) that the Malabar District Board has not yet granted the dearness allowance allowed in G.O. No. 2788, L.A. dated 19—9—'42 to its servants and

(9) that, therefore he humbly prays that the benign Government may be pleased to consider his present pitiable circumstances and to issue immediate orders to the District Board making it obligatory to grant dearness allowance to the memorialist at the rates sanctioned to Government servants treating the expenditure as a prior charge on District Board funds

For which act of justice and generosity, the memorialist shall, as in duty bound,

Place, Patinhattumuri.

Elementary School teachers employed as Branch Post-Masters — Dearness allowance.

P.L. see also rule 6 (3) of the rules re: conduct of Local Fund Servants.

P 370 of BK 157

P. 205 of the quinquennial report.

The practice of utilising the services of elementary school teachers as postmasters has been one of long standing — G.O. 1605 Ed., d 19.5.1893 & 2066 Ed., d 26.10.40. In the annual reports on Public Instruction there is usually a passage showing the extent to which the provision was availed of in the year covered by the report. In 1941-42, there were 488 post offices in charge of school masters: the no: in 43-44 was 519. The reports in question speak of only teachers in L.F. & Govt. schools doing post office work. Apparently in some cases teachers in aided schools are also employed on such duty. The question has been raised as to whether teachers of the type should get the dearness allowance at the full rates admissible to teachers qua teachers when they get a dearness allowance from the Postal Deptt. also. The ~~D.P.~~ dearness allowance as teachers is as follows:—

Proposed to be raised to Rs 16/-

Aided Schools —— Rs 8 p.m. per teacher
Govt. & local body Schools — Rs 16 p.m. ,,

As branch postmasters, the teachers appear to be getting a remuneration of Rs 6 to Rs 9 p.m., besides dearness allowance. The D.P.I. has ruled that an aided school master should get from the Edl. Deptt. only the differ: betn. the D.A. paid by the Postal Deptt. & the D.A. admissible to him as teacher. The latter is Rs 8 p.m. as stated above: we do not know what the former is. The D.P.I. proposes that the principle of Aided may be applied to L.F. teachers also. He has not

mentioned here the case of teachers, if any, in Govt. service doing postal work: such cases, if any, should also obviously be considered. We may first issue the memo below.

25.8.45

Lr. 1591 A. from the D.P.I. Rc. No. 2221 O/Spl. of 7.1.46

From the letter of the D.P.I. it is observed that the teachers in Govt. schools who are employed as postmasters are permitted to draw dearness allowance both from the Postal Dept. & from the Edn. Dept. The Director says that teachers in Govt. & Board schools shd. draw only the difference in the rate of the allowance from Govt. funds or from the El. Fund of Dt. Boards.

29.1.46 The amount paid as dearness allowance by the Postal Deptt is only Rs 3 a month. In these days of high cost of living it seems that the teachers who are comparatively poorly paid may be allowed to retain the allowance. If this is approved, the Director may be asked to modify also his procgs d. 7-3-44 ~~also~~ relating to aided elementary school teachers.

I do not agree. The double allowance is wrong in principle. D.P.I.'s proposals are, I think, sound & may be approved.

working as branch post masters should be allowed to retain the Dearness Allowance received from Postal Dept. over and above what they get from the funds of Govt or local body concerned. The D.P.I. propose that such ~~people~~ servants may be paid only the difference between the rates adopted by the Govt ~~or the local body~~, and the Postal Dept. as Dearness Allowance. EPH agree to this. Finance may also agree.

11.2.46 The D.P.I. has recommended that the excess amount paid prior to 1.4.45 need not be recovered as it would cause much hardship to the teachers. The same reason holds good for any recovery from 1.4.45 up to date. The order may therefore be given ~~effect~~ to from 1.4.46.
