MAYAVARAM MUNICIPALITY.
Note to the Council on the Elementary Education Fund.
B U D G E T.

17-18
19-20
23-24

The year 1945-46 opened with a balance of Rs.768/-. In accordance with the approved budget in G.O. No. 427, BDN., dated 20-3-45 of the Elementary Education Fund for the year 1945-46 the total receipts was Rs.31,830/- while the expenditure was Rs.35,750/-. According to the Revised Estimate now prepared the receipts is Rs.41,952/- and the expenditure comes to Rs.42,720/- including the sum of Rs.768/- refunded to the Government as ordered in Government Memorandum No. 32330-A, 45-4, Bdn., dated 1-10-45. The excess expenditure over the approved budget was met from the excess contribution from the General Fund to Elementary Education Fund as ordered by Government in their order read above. The increase is due to the payment of higher rate of Dearness Allowance without any Government grant for the same which amounts to Rs.14,230/- Necessary provision is also made for the payment of Dearness Allowance to the Elementary Education staff during the year 1946-47 and the amount required being met from the contribution from the General Fund which is already in deficit. Number of schools are located in rented buildings. Even the Municipal buildings could not be maintained in a satisfactory condition for want of funds. There are no furniture in many schools. Maps are not at all supplied to the schools. If such state of affairs are allowed to continue recognition of the schools may be withdrawn by the Educational Authorities. The Educational authorities are recommending the appointment of additional teachers and appointment of Secondary Grade teachers for Elementary Schools.

I, therefore, suggest to the council to increase the Education tax at least by half per cent per half year so that minimum requirements of the schools may be met with.

I also suggest to the council to request the Government to pay the entire amount as grant provided for the payment of Dearness Allowance to the staff.

A five year or 10 year building plan may also be drawn up for housing the elementary schools with its own buildings and necessary amount may be obtained as loan and grant from the Government.

5(ii). Elementary Education Account:- The Contribution from the general to the Ele. Education Acct. approved for 1942-43 is Rs.12549. The contribution approved in the council's Ele. Edn. budget for 1945-6. is Rs.15040. The council was subsequently asked to increase its contribution from the General Account by Rs.6191, so as to meet the anticipated deficit in the Ele. Education Acct. for 1945-6. The contribution provided for in the R.E. is higher than the total amount to be provided (Rs.21231) by Rs.203. The excess provided for may be approved to avoid a deficit in the Ele. Edn. budget for 1945-6. As the financial position under the Gl. Acct. is very unsatisfactory the council cannot afford to contribute in 1946-7 more than Rs.12,549, the contribution approved for 1942-43 which should generally be taken as the standard. The provision made in the B.E. for 1946-7 may therefore be reduced for Rs.22,838 to Rs.12,549. If this is done the Ely. Edn. Acct. for 1946-7 will close with a deficit of Rs.10,289. A position of this deficit can be met from the balance which may be left in the arrear Toll compensation for 1946-7 after wiping off the deficit in the General Acct - Ordinary. The total rate of the property tax levied in this municipality is 15 per cent per annum (including the education tax of 1 per cent per annum), which is the rate considered suitable for municipalities of this type, which have not got the benefit of protected water-supply and drainage schemes. As it is not feasible to increase the rate of the education tax, a grant may be necessary to this council in 1946-7 towards the payment of dearness allowance to the staff paid from the Ely. Edn. fund to the extent of the deficit in the Ely. Edn. Acct. This point will doubtless be considered by Edn., & P.H. while passing orders on the E.E. budget for 1946-7

* * *

M | 2. The B.E. for 1946-7 as proposed to be revised will close with a deficit of Rs.17,915. The council may get about Rs.2500 from the levy of the stamp duty for which it has taken no credit in the budget. The net deficit viz., Rs.15,415 will have to be met from the arrear toll compensation of Rs.21,669 which is likely to be sanctioned next year. The balance of Rs.6,254 may have to be utilised for meeting the deficit under the Ely. Edn. Account which is estimated at Rs.10,289. A grant will have to be sanctioned to meet such portion of the deficit in the Ele. Account as is not covered from the arrear toll compensation

C.No. 12A/46 From the D.P.T., R.O.P. No. 72-B3/45-46, d/28.12.45

The R.E. for 1945-46 and the B.E. for 1946-47 of the E.E. fund of the M.C., Mayavaram, call for the following remarks.

2. R.E. for 1945-46 (i) Contribution from general funds. The contribution provided in the sanctioned budget is Rs.15,040. The C. was subsequently asked to increase the contribution by Rs.6,191 to meet the cost of enhanced dearness allowance. Against the total approved contribution of Rs.21,231, the C. has taken credit for a contribution of Rs.21,434. It has agreed to the enhanced contribution.

(ii) The C. has refunded to Govt. the excess dearness allowance grant of Rs.768 paid to it in 1944-45

(iii) The provision made for expenditure is in excess of that in the sanctioned budget. The increase is mainly due to the payment of dearness allowance at enhanced rates. The provision made for excess expenditure may be approved.

3. B.E. for 1946-47 (i) The credit taken for Govt. grant under Section 39 of the E.E. Act maybe raised from Rs.4,100 to Rs.4,400 with reference to the credit taken for Education tax in the R.E. for 1945-46.

(ii) The credit taken for contribution from general funds is Rs.22,838. In their note on the general fund budget of the C., the L.A. Dept. have stated that the contribution from general funds should be restricted to Rs.12,549, the contrib amount approved in the budget for 1942-43.

(iv) Revised with reference to the suggestions above, the B.E. for 1946-47 will close with

a deficit of Rs. 9,989. L.A. have stated that a sum of Rs. 6,254 from out of the arrears toll compensation that the cl will get next year, will be available to meet the deficit in the E.E. fund. If credit is given for this amount, the deficit will be reduced to Rs. 3,735.
